HARBOURS ACT 1964 (AS AMENDED)

PROPOSED BLYTH HARBOUR REVISION ORDER

NOTICE OF APPLICATION FOR A HARBOUR REVISION ORDER

NOTICE IS HEREBY GIVEN that the Blyth Harbour Commissioners ("the applicant") has applied to the Marine Management Organisation ("MMO") for a Harbour Revision Order under section 14 of the Harbours Act 1964.

The proposed Order would extend the harbour limits of Blyth Harbour within which the applicant exercises jurisdiction as statutory harbour authority to include an additional area known as Ash Barge Dock. The proposed Order would do this by amending section 11 of the Blyth Harbour Act 1986, which provides for the existing limits of Blyth Harbour, to include Ash Barge Dock being the area shown on the Ash Barge Dock Limits Plan accompanying the application for the Order.

The proposed Order would not authorise the construction or alteration of a project or confer development consent. Accordingly, Council Directive 85/337/EEC on the assessment of the effects of certain public and private projects on the environment (as amended) which is codified by Council Directive 2011/92/EU (as amended by Directive 2014/52/EU) does not apply to the proposals and no environmental statement has been supplied.

A copy of the draft Order and accompanying documents are deposited at the offices of the applicant at: Wensleydale Terrace, Blyth, Northumberland NE24 3DY. These may be inspected at all reasonable hours until the expiry of the forty-two day period referred to below.

The draft Order and accompanying documents are also available for inspection at the offices of the MMO in Newcastle Upon Tyne by appointment at the email address below or may be viewed on the MMO's website at: <https://www.gov.uk/government/collections/harbour-orders-public-register>

Any person desiring to make an objection or representation concerning the application should write to the Harbour Orders Team, Marine Management Organisation, Lancaster House, Hampshire Court, Newcastle Upon Tyne, NE4 7YH or email to harbourorders@marinemanagement.org.uk. An objection or representation **should**:

- i. be received before the expiry of a period of 42 days starting with the date at the foot of this notice;
- ii. be made in writing quoting reference HRO/2022/00010;
- iii. state the grounds of the objection or representation;
- iv. indicate who is making the objection or representation; and
- v. give an address to which correspondence relating to the objection or representation may be sent.

The MMO will pass to the applicant a copy of any objections and other representations received.

If an objection is duly made and not withdrawn then the MMO may cause an inquiry to be held. Any objections duly made and not withdrawn and any representations duly made will be considered before the MMO decides whether or not to make the Order.
