From Chursday January 1 to Quinday Jahpary 8. 1671.

Whitehal , Januane K. W Thefday the s instant; His Maighty being pre-In Thessay the 1 instant; His Majory being prefere in Counsel, was pleased to Perfer in Thessay the feeling all the Princes, and States His Neighbors were thanking, great preparations for War, both by Sea and Land; His Neighty, for chessay of his Dovernment and Reogle; keent upon Limited poolinged to make such Preparations, as might be proportionable for the Propertion both of the one and the others. And to that end had already given Orders, for the sitting and preparing a very considerable Fleet, to be ready against the Spring. That by this inevitable necessity, His wajesty, considerable that must artend such Preparations, and after His serious delates and both considerations, and after His serious delates and both considerations, and fire His serious delates and both considerations. that must artend such Preparations, and after His sections destorated and bost considerations, any sinding any possibility to deficate and bost considerations, any sinding any possibility to deficate such unusual Expences, by the usual ways and means of borrowing Moneys, by tealon His Revenues were so anticiparted and engaged, He was necessified as for the Publick's Sastry at the present, to cause a city to be made of the payling ment of any Moneys, now being, or to be made of the payling Hychequer, for the space of one whole Year, ending the last stay of December next, unevery person or persons whatsoever, by writted or not Regulted therein; and payable within that time; Excepting only, such payments as shall grow such approaches the Subjects and Securities upon the Per-Fami Rents, both which are to be proceeded upon as if such a stop had never been made.

which are to be proceeded upon as it inch a copy manager been mide.

And that His disjoines Pleasure and Prelavation, might be specified and effectually put in fixecution. His Majety did Order Six Heneage Finch Knight and Baroter, Has Attorney Occarally forthwhite appoars a fall brills Royal ligrature and in we had the Great heat; thereby regiming and commitment of the Treatury itemediately to order and direct all and every the Officers of His Majetic in the Majetic

ment: what dever a recept as he for a excepted) untilizing tails days of Pacember next.

And that in the mean time, the Lords Commissioners of His Preasury be Required and Authorised, to cause payment to be made of the Interest that is or shall growning, or the read of the politic terms and the property person dian shall have Money due to him or them upon such Warrants, Orders, or Securities, so Post-pon'd and defeared; and that the payment of such Interest, may be just made, the Lords Commissioners of His Treasury's are to be Authorised and Required, to cause the Pobt of every particular person, and the said interest thereof, to be truly stated. to be truly flated

to pertray-faced.

And the Lords of His Majesties Treasury, being farther to be Ordered, to i play and dispose of all the said Moneys, so stopped and decained, for the preparing, setting for h, and payment of His Majesties Fier, and other Pu lick Services, in order of the pressnoon and safety of His Majesties Government, and desence of His People, as His Majesties Government, and desence of His People, as His Majesty shall from time to time Order and Direct.

time to time Order and Direct.

His Majasty, as fat as in him Jies, to take away all apprehensions or terroir, that might possess any of His Subjects spirits a declaring. That no person whatsower, shall be deficulted of any thing that is justly due to him, nor shall this restraint, which His Mujesty had been compelled (not being able fir the present, to suppose the first have seen as are, or shall be push in experience) to lay upon the subject, the whe aforesai is lest slave of Disconder; continue songer, the whe aforesai is lest slave of Disconder; and that then, no new Warrants-Orders, or Securities shall intervene, to brank the course of such Payanents.

And His Majesty was farther grationly pleased to declare. That working could have breed His Majesty to an Act of this Nature, but such a conjuncture of Active when all the Neighbouring Princes and these were making such Thomseuring predictions, that His Government equick up the fase, without and pearing in the sum of suge.

Mursum, Decemb. 18. Testerday the Turkish Chief

Wirfam, Decemb. 1s. Yesterday the Turkish Chies aus, lately arrived here from the Port, had his first Audienc of the Crown Chanc sloun, to whom

offect, that the Grand Signion could not but yester much wonder, that after no diad declared his han ving taken the Ukraine puder his projection a this. Crown floude not substanding a process of a holiday manner and the leveral Towns a leife on the Inhabite tanks, and do seperal other chings there a contrast to the good correspondence they orghe to have mountriped with the Port ; and that unless they immedito ately withdraw their Forces out of those Countries a and peltore what they have taken from Darofenikat this Summer, the Grand Signior will be obliged to look upon it as a breach of Peace; and act zocoridinglys to which, the Crown Chancellour rould as then, make no other answer, then that he would acquainthis Majesty and the Senate with his Message, and expect their resolutions in it. The Senate has ving been since assembled they resolved to resexther confideration of this matter to the Breth to be held

here about the middle of the next Minche.

In the mean time tour Letters from the Ukraine at the peak of much discourant amongs the Souldierus. Who are it Jegme diffarished with their Winterquarters a where they complain, they are not well provided with Bread, and other necessary Provisi-

Kiennas Docamb. 20. The Countral Persabbach. nating the night before his Execution, written a perors own hands a we are told, of antidatediflored by be hath made in it, of feveral matters relating rother late Rehellion in Hungary, which were not before come to light; and that he accides ferrers herion to have been logaged in that configuracy which have hitheren not been intile healt introducted to have had any hand interpreted which the Empeditor Council hath been linder frequency afterwheal and loveral Expresses differently into the configuration of loveral Expresses differently into the configuration of the survey of the configuration of and loveral Expresses disparched into Hungary, 20 is thought, for the apprehending of the faid per-

General Souther & being on his may hither from Wyradin, hath hem taken very ilbat Scharwick, and still continues for, from Hungary they write, that Monfieur Erchersbergh ; Captain of at Froop of Horse in those parts, had, as he was margiling with a Guard of fix Horlaman from Cata to Dilvedim . been taken by a party of Turks, and by them carried sway Prisoner, they declaring, that they would not release him, till they had fatisfaction for the vio leaces they pretend to have lately been committed on their Frontiers, by Knarry of the Hustars.

Legherne Decembi and The na inflant departed thence the Mary Rose and Success Frigate, with the Simon and Francia under their Course had bound. We have for some days had held a very warm report of Sit Edward Spragges having concluded a very advantageous Peace with the Confirmed

plarfeilles Januery a. Here is just now artifud the gufin and Mary, Captain Oliver Commander, from Landon , he telle he, that about 14 days pair, her mer with Gaptain Beach at Almeria, who acquains ted him, that Sir Edward Spragge, had about the first Audienc of the Crown Chanc lloun; to whom | middle of the last Months concluded an Honoura-, he delivered Letters sponsons Grand Vistr, to this | ble Peace with Argiers of which, though he want
