*Dublin, November 30.*

**T**HIS Day, the following Addreffes were prefented to his Excellency the Lord Lieutenant.

To his Excellency John Lord Carteret Lord Lieutenant General and General Governour of Ireland,

The humble Adreff of the Lords Spiritual and Temporal in Parliament affembled.

*May it please your Excellency,*

**W**E the Lords Spiritual and Temporal in Parliament affembled, beg Leave to return our moft fincere Thanks for your excellent Speech, delivered from the Throne to both Houfes of Parliament.

We take this firft Opportunity of condoling with your Excellency on the Lofs of our late moft gracious King, of glorious Memory; which could be only repaired by His Majesty's Acceffion to the Throne of His Royal Ancestors; and to affure your Excellency, that the Zeal which we have ever expreff'd for the Succeffion of his Royal Houfe, will make us always continue the fame unhaken Loyalty to His Majesty, which we on all Occafions manifefted to His Royal Father.

His Majesty's moft gracious Declaration, That our Conftitution in Church and State fhall be His firft and always His chief Care, and the good Opinion He hath been pleas'd to exprefs of the Loyalty and Affection of his Subjects of Ireland, are ftill further Engagements to us to proceed with the greateft Chearfulnefs and Unanimity to fupport His Majesty's Government.

We fhall take into Confideration the making and continuing fuch Laws as fhall be found neceffary for the Encouragement of our Manufactures, the Employment of the Poor, and the general Good of this Country; and for enforcing thofe that relate to the Security of the Publick, and the preventing Popifh Priests and Regulars coming into this Kingdom.

The Experience we have had of your Excellency's former Administration, makes your Return to the Government highly acceptable; and as we muft always acknowledge it as a great Inftance of His Majesty's Grace and Favour to us, fo the being fucceffively employed by two great Kings, is your Excellency's peculiar Honour.

Your known Goodnefs and Candor leave us no Room to doubt of your Excellency's continuing to represent in the ftrongeft Light to His Majesty, the Duty, Loyalty and Affection of His faithful Subjects of Ireland.

The Lord Lieutenant's Answer to the Lords Adreff to his Excellency.

**I** Am extremely obliged to your Lordships for this kind Adreff, and hope to preferve your favourable Opinion of me by my Zeal for His Majesty's Service, and by continuing my Endeavours to promote the Good of this Kingdom, and faithfully representing your Duty and Affection to His Majesty.

To his Excellency John Lord Carteret, Lord Lieutenant General and General Governour of Ireland.

The humble Adreff of the Knights, Citizens and Burgesses in Parliament affembled.

*May it please your Excellency,*

**W**E His Majesty's moft dutiful and loyal Subjects, the Commons of Ireland in Parliament affembled, attend your Excellency with the greateft Acknowledgements for your Speech from the Throne to both Houfes of Parliament.

The unexpected Death of our late moft gracious Sovereign affected this Nation with an univerfal Concern, and we fhall ever retain a moft grateful Senfe of the many Bleffings we enjoyed during the whole Courfe of His glorious Reign: But His Majesty's happy Acceffion to the Throne has repaired this Lofs; and his early Zeal in Defence of the Liberties of Europe, His Affurances to make it His firft and always His chief Care to preferve our happy Conftitution as now eftablished, and that tender Regard which He has fhewn for the Welfare of all His Subjects, fill our Hearts with the moft affured Hopes of as great Felicity as thefe Kingdoms have ever enjoyed under the moft glorious of His Ancestors.

We cannot fufficiently exprefs the juft Senfe we have of the eminent Vertues of our moft gracious Queen; and it is the higheft Satisfaction to us, that the Proteftant Succeffion is fecured to our Pofterity by a numerous Royal Ifue formed and instructed by fo great Examples.

As we reflect with the greateft Pleasure on the Advantages we have enjoyed under your former Administration, we think ourfelves obliged in a particular Manner to acknowledge His Majesty's Favour to this Kingdom, in committing the Government into your Excellency's Hands, who difcharged that high Truft with fo great Abilities under His Royal Father.

The diftinguifhing Mark of the Confidence of two great Princes, contributes equally to your Honour and the Happinefs of this Kingdom; and we affure ourfelves of the greateft Prosperity
