Hague, March 20, N. S.

THE States of Holland separated last Saturday, without coming to any Resolution on several Domestick Affairs they had before them, and particularly a Project to stop a Branch of the Maefe running into the Wael, for the Benefit of the Town of Dort, whose Waters are daily filled up with Sands to the Detriment of the Navigation; but it is judged would be cleared of those Sands by the Force that by this Means would be added to the Stream. A large Quantity of Goods going from this Country for Francfort, being lately seized in their Passage through the Territories of the Elector Palatine, on Pretence the Value was not declared in order to the Payment of the Duties: there being amongst the Goods 150,000 Florins in Gold, and several Merchants of Amsterdam being concerned in them, the States have by M. Burmannia their Minister, interposed therein, and demanded the Restitution of the said Goods and Gold; whereupon the Palatine Minister declared Yesterday to their High Mightinesses, that the Goods are already ordered to be restored, and that the Gold will likewise be delivered to the Owners, provided the Duties payable on the same be secured for the future.
