From đueffay ${ }_{s}{ }_{5}$ ovember 10. Vianna, Nouembér i, N.S.

BCY the laft Poft a Tranflation was fent , of the Queen of Hungary's Refcript to the Coinmilfion of security eftabliftre ed here by her Majelty's' Order, wherein that Princts defired to thave the Com-miffivers-Opinion, whether, when, and with what Precautions the mightrefuth to this He fidence and Capital Town? But now it is affured, thity the faid Commilfion has been of Opinion, that though there ts po Elikelihood of a Siege before the Spring, yet the Necerfity of fililifing all the Works that are begun to make this Town a regular Fortrels, aud Place of Arris, would bardik fuffer the Pre, fence of het Royat Perforit and tier whole Court for fome Months ; for that it is how takenf for granted that the Court will pals thd Winter at presboprg, and take its Refolutions afterwards according to the Events of thé W/nter Campaign, which is upon the Pioint to begin very fhorthy its Operatiphs in 3ohemin, where the Great Duke will put himelelf th the Headt of the Quern's Ariny, andrwwith which it is hoped he will be in a Cördition to encounter the French and Bavarians, and even the Saxohs, if they thould join them, pos it.cannot but be fuppofed they wilt fince M. Bunate, who has refided here for fome Time as Envey of Saxahy', is gone' to Presbourgite take.his Audience of Leave, whereiplit is faid he declared to the Queen, that his Polififh Majefty had found himfelf reduced to the Thdifpenlable Neceffity to join with the Elector of Bayaria by a Treaty ligned on the: 1ath paff, N.S. The Queen receided that Def claration with that Greatnets of Minad and Magnanimity which fuppore thate Princefs puder all the Blows that the thas received lately. She prefented herfelf the Sason.En, yoy with a Ring of great Value, which the defired him to açept in his dif date capacity
 drance, and not as a publick Minifter. He
 and it is fuppofed he will be lent to Eranofort to affif it the Eteetion, hisw Maffer bawing cteated him a Cqupt of the En fifie if virtue of His Electoral Highnés Dignity' as Wİar during the Inteireg ginuti. The Frenth and Bavarians are alt leaving thishiNetighbourhood to entert ifto Ho homiatore Qureth foffars and Croatians àreçorffart'ly after thient, Ind befides the frequent Adyantages, they have ovet thems' contribute vaftly to facilitate the Defertion autofig them, The Empreß Mod ther is \{aid to be muctr sout wif order tat Gritiz
