Constantinople, April 23.

**T**HE Dutch Ambassador departed the 15th for Holland, by Way of Vienna. The Reis Effendi was changed about ten Days ago, and made Bashaw of Cairo. Mustapha Bashaw, who was Reis Effendi before, is again restored to that Office. Here is great Silence as to News from Persia. Some People surmise, by the Governor of Bagdat's Kayhaw continuing here, that a Negotiation is still on Foot. In a very few Days the small Fleet will sail for the Black Sea. 'Tis assured that the Captain Bashaw is to rebuild the Fort of Ockzakow.

*Stockholm, May 22.* On Thursday last, the King and Prince Royal of Sweden, returned to Carlsberg, from Droningholm, and the Day before Yesterday, his Majesty, and his Royal Highness came to Town.

*Genoa, May 23.* Letters from Rome of the 16th Instant advise, that Prince Lobcowitz's Army was in March to enter into the Kingdom of Naples, for which Purpose Bridges have been laid over the River Tyber at Monte Rotondo; that a Detachment of about 2000 Spaniards had returned into the Roman State at Aicoli, with a Design to have surprized some of the Austrian Magazines, but were luckily prevented by a Party of Hussars, who came up in time to the Assistance of the small Body that were left to guard them. On the 21st Instant arrived his Britannick Majesty's Bomb Vessels, with their Tenders. Admiral Mathews, with the Fleet under his Command, is now under Sail coming out of Vado Bay, and steering to the Westward.

*Hague, June 12.* According to our best and freshest Advices, Prince Charles camped on the 6th Instant at Wisloch near Heidelberg, and was preparing to pass the Neckar the second Time at Ladenburg. Some Blows have been exchanged between his Highness's Hussars and those of Count Seckendorff, and each Side represents the other as having been the Aggressors, and itself as having had the Advantage.

Navy-Office, May 31, 1744.

*These are to give Notice, that on Wednesday the 20th of June next, at Ten of the Clock in the Morning, this Board will be ready, to treat with such Persons as shall be willing to serve his Majesty's several Yards with Red and Green Kersey, upon a standing Contract, that they may attend with their Proposals at that Time.*

Wine Licence Office, May 25, 1744.

*All Persons owing or engaged for Arrears of Rent for Wine Licences, or whose Licences are expired, are hereby required to take Notice, that if they do not pay their said Arrears, and renew their said Licences with all Speed, they will forthwith be prosecuted for the same. And whereas his Majesty's Commissioners of Wine Licences have received certain Information of divers Persons presuming to retail Wine without Licence, and to whom Letters have been sent, advertising them of the Penalties incurred thereby; These are also to give Notice, that unless such Persons do speedily apply themselves to the said Commissioners, the Laws, in such Cases made and provided, will be forthwith put in Execution.*

London, June 5, 1744.

*Whereas the several Regiments of Foot, serving in South-Britain, Minorca, Gibraltar, and the West-Indies, as likewise the Marines, are now all compleat, or very near compleat; and the commanding Officers of the Regiments in England, having represented, that the press Men, take every Opportunity of deserting, and that Numbers of them have already deserted from those Corps, the Field-Marshal Earl of Stair, Commander in Chief of his Majesty's Forces in South-Britain, finds it absolutely necessary for his Majesty's Service, to direct the Officers employed in raising Recruits, for the Regiments in England, to receive no more press Men after the 11th Day of this present Month of June, till further Orders, of which publick Notice will be given in the Gazette, and other printed Papers.*

*The Recruiting Officers are nevertheless, to continue to enlist all Volunteers at the Drum-head, that offer themselves, and that are fit for his Majesty's Service in their respective Regiments.*

*This Order is thus publickly made known for the Information of the Commissioners, and others appointed for putting in Execution the Act now in Force for the speedy and effectual Recruiting his Majesty's Land Forces and Marines.*

By Command of the Field-Marshal Earl of Stair,  
C. Ellison, Dep. Adj. Gen.
