Kensington, July 1.

THE following Address of the Mayor, Aldermen and Burgeses of the Borough of Warwick, has been presented to his Majesty by the Right Hon. the Lord Brook, being introduced by the Right Hon. the Earl of Lincoln, one of the Lords of his Majesty's Bed-Chamber in Waiting: Which Address his Majesty was pleased to receive very graciously.

To the King's most Excellent Majesty,

The humble Address of the Mayor, Aldermen and Burgeses of the Borough of Warwick.

May it please your Majesty,

WE the Mayor, Aldermen and Burgeses of the Borough of Warwick, beg Leave (by the Hands of the Right Honourable our Recorder) to congratulate your Majesty upon the Success of your Majesty's Arms, in the total Suppression of the late Rebellion, under the Bravery and Conduct of his Royal Highness the Duke of Cumberland: An Event, which seems to promise and ensure a long and undisturbed Enjoyment of all that is valuable to us, under your Majesty and your Royal Progeny.

When we consider the Happiness of living under your Majesty's wise and auspicious Government and Protection, and, in Consequence thereof, the being preserved in the full and peaceable Possession of our Religion, Liberty, Properties and Laws; we cannot, without the greatest Indignation, reflect upon any Attempt that is made to lessen, invade or controul so invaluable an Inheritance.

It is therefore with the greatest Satisfaction that we join with the rest of our Fellow-Subjects in the most ardent Wishes, that your Majesty's Reign may continue long and prosperous over these great and freeborn Nations.

May your Majesty always find, from all your faithful Subjects, the same sincere Acknowledgments of Gratitude and Loyalty, which have, with such Unanimity and Zeal, been tendered upon the late unhappy Occasion; the same earnest and hearty Engagements, in Support and Defence of your Majesty's Government, whenever the Insults or Influence of any Foreign Power shall presume to disturb or interfere with it: And may all daring and impi-

ous Attacks upon the Civil and Religious Rights of these Kingdoms, ever meet the same unsuccessful and exemplary Fate.

Given under our Common Seal the 21st Day of June, in the Year of our Lord 1746. and in the Twentieth Year of your Majesty's Reign.

The following Address of the Bailiff, Burgeses, and principal Inhabitants of the Borough of Chippenham, in the County of Wilts, has been presented to his Majesty by Edward Baynton, Esq; one of their Representatives in Parliament, being introduced by the Right Hon. the Earl of Lincoln, one of the Lords of his Majesty's Bed-chamber in Waiting: Which Address his Majesty was pleased to receive very graciously.

To the King's most Excellent Majesty,

The humble Address of the Bailiff, Burgeses, and principal Inhabitants of the Borough of Chippenham, in the County of Wilts.

Most Gracious Sovereign,

WE your Majesty's most dutiful and loyal Subjects, the Bailiff, Burgeses, and principal Inhabitants of the Borough of Chippenham, sensible of the Enjoyment of every thing that is dear and valuable to us, under your Majesty's mild and most auspicious Reign, partaking in the general Joy, and warm'd with the highest Sentiments of Gratitude, beg Leave to approach your Throne, to congratulate your Majesty on the late glorious Victory obtained over the Rebels, by your Majesty's Troops, commanded by his Royal Highness the heroick Duke of Cumberland.

A Victory great and important! since on the Success of your Majesty's Arms depended nothing less, than whether we should continue Britons, brave, free, and independent; or become the Slaves of Slaves; a Province to the most false, and most faithless of Nations.

The Hand of Providence has most remarkably distinguished itself on this Occasion; and that Heaven may perpetuate its Blessings to these Nations, by permitting your Majesty long and happily to reign over us, the Delight of your Subjects, the Support of your Allies, the Terror of your Enemies; and that there may never be wanting one of your illustrious House to sway the
