William Sharpe.

WHEREAS a contagious Distemper now rages, and has for some Time past raged in several Parts of this Kingdom, amongst Oxen, Bulls, Cows, Calves, Steers and Heifers, which, if not prevented, may end in the entire Destruction of such Cattle. And whereas by an Act of Parliament passed in the Nineteenth Year of his Majesty's Reign, it is enacted, That it shall, and may be lawful for his Majesty, his Heirs and Successors, by and with the Advice of his or their Privy Council, from Time to Time to make such Rules, Orders and Regulations, or to vary or repeal the same as he or they shall judge most expedient and effectual in Great Britain, Ireland, and all other his Majesty's Dominions, for putting a Stop to or preventing the Spreading of the said Distemper. And whosoever shall offend against any such Rules, Orders, Regulations, or Variations, being convicted thereof before any Justice of Justices of the Peace, for any County, Riding, Division, City, Liberty, or Town Corporate, where such Offence shall be committed, are made subject to the Penalty of Ten Pounds, one Moiety to the Informer, and the other Moiety to the Poor of the Parish, to be levied by Distress, and in Default of Distress, the Offender to be committed by such Justice or Justices to the House of Correction for three Months. And that such Rules, Orders and Regulations shall be publickly read upon the next Sunday after the Receipt of the same, and the first Sunday in every subsequent Month, during the Time the same shall continue in Force, immediately after the Prayers, in all Parish Churches, Chapels, and other Places set apart for Divine Worship. And every such Order, Rule and Regulation shall be kept by the Minister of every Parish Church, Chapel or Place, who shall permit any Person residing within his Parish, Chapelry or Place, to read the same, during the Time such Rule, Order or Regulation shall continue in Force. And it is farther enacted by the said Act, That the Removal, Driving or Sale of every Ox, Bull, Cow, Calf, Steer or Heifer, contrary to any such Rule, Order or Regulation, shall be deemed a distinct and separate Offence, within the Intent and Meaning of the said Act. And whereas by an Act of the Twentieth Year of his present Majesty's Reign, for continuing, explaining and amending the aforementioned Act, the Commissioners authorized by an Act passed in the Nineteenth Year of his Majesty's Reign, intitled, An Act for granting an Aid to his Majesty by a Land Tax to be raised in Great Britain for the Year 1746. to put the said Act in Execution

Execution in any County, Riding or Division, and who have duly qualified themselves to act therein, as directed by the said Act, are empowered to put in Execution the Powers contained in the said Acts, except within the County of Middlesex, and all Cities and Towns which are Counties within themselves. And the Ministers are empowered to read such Rules, Orders, and Regulations, on such Sunday in every Calendar Month as they shall think proper; and several other Provisions were therein made in Relation to the Distemper among the Cattle. And whereas his Majesty, in pursuance of the Powers so vested in him, hath thought fit, by and with the Advice of his Privy Council, to make and establish, from Time to Time, such Rules, Orders and Regulations as were judged to be most proper and effectual to put a Stop to the said Distemper: And whereas notwithstanding the said several Rules, Orders and Regulations so made by his Majesty, the said contagious Distemper still rages in several Parts of this Kingdom; his Majesty taking into Consideration, that the Multiplicity of Orders already issued in relation thereunto, may make the same difficult to be understood by the Farmers, Cow-keepers, and others whom the said Orders may concern, is therefore pleased, by and with the Advice of his Privy Council, to declare and order, that all the Orders of Council heretofore made in Relation to the said Distemper, shall be and continue in Force until and upon the First Day of July next, and no longer, and to establish the following Rules, Orders, and Regulations in their Stead, to continue for and during the Space of three Calendar Months from the said first Day of July, requiring and commanding all his Subjects strictly to pursue and observe the same.

That all Cow-keepers, Farmers, and Owners of any of the said several Sorts of Cattle in any Place, do, as soon as any of the said Cattle shall appear to have any Signs or Marks of the said Distemper, immediately remove such Cattle to some Place distant from the rest, and cause the same to be shot dead, or otherwise killed, with as little Effusion of Blood as may be, and the Bodies to be immediately buried with the Skin and Horns on, leaving at least four Feet in Depth above the Body of the Beast so buried, having first cut and slashed the Hides thereof from Head to Tail, and quite round the Body in several Places, so as to render the same of no Use; and in case such Cattle shall happen to die, that they do bury the Bodies thereof as abovementioned.

That no Person or Persons do buy, sell, or expose or offer to Sale, or cause to be bought, sold, or exposed or offered to Sale, the whole or any Part of the Hide, Milk, Carcase, Flesh, Fat or Intrails of any infected Beast; or feed, or cause to be fed any Hog, Calf, Lamb, or any other Animal therewith.

That as soon as the Distemper shall appear in or upon any Ox, Bull, Cow, Calf, Steer or Heifer,

the Owner or Possessor thereof do immediately give Notice thereof to the Constable of the Town or Parish, and also to the Church-wardens and Overseers of the Parish or Place where such infected Cattle shall be, or to some Inspector appointed or to be appointed by the Justices of the Peace, or Commissioners of the Land Tax, as aforesaid, for the District where such Parish or Place shall lie, of the Appearance of such Infection, pursuant to the Directions herein after given, to the End that the said Officers may be the better enabled to do their Duty according to the Directions herein after mentioned.

That with respect to such Counties where the Distemper now is or shall hereafter happen to be, no Person do send, drive or remove, or cause to be driven, sent or removed, any Ox, Bull, Cow, Calf, Steer or Heifer, out of any Town, Parish or Extraparochial Place whatsoever within such County, to any Fair, Market, or any other Town, Parish or Extraparochial Place whatsoever, either within such County, or in any other County within that Part of Great Britain called England, or do buy, sell, expose or offer to Sale, or cause to be bought, sold, or exposed or offered to Sale, any such Cattle coming from any Town, Parish or Extraparochial Place, within such infected County, except only fatted Cattle ready for immediate Slaughter. And for the greater Certainty that such fatted Cattle are not infected, or come from any infected Place or Herd, his Majesty doth hereby further require and command, that no Person or Persons whatsoever do buy, sell, or expose or offer to Sale, or cause to be bought, sold, or exposed or offered to Sale in any Fair, Market, or any Town, Parish or Extraparochial Place whatsoever, within that Part of the Kingdom of Great Britain called England, or do drive, remove, or send, or cause to be driven, removed, or sent to any Fair, Market, or other Town, Parish or Extraparochial Place whatsoever, within that Part of the Kingdom of Great Britain called England, any such fatted Cattle, unless the Owner or Owners of such Cattle, or his or their Agent, shall deliver or cause to be delivered, to the Constable or other Officer attending such Fair or Market, or to the Clerk of such Market, or to some Inspector or Inspectors appointed or to be appointed to attend such Fair or Market, (which Inspector or Inspectors, the Justices of the Peace, or Commissioners of the Land Tax as aforesaid, in their several Divisions, are hereby authorized and required to appoint) in Case the same shall be driven, removed or sent to, or shall be sold, or exposed or offered to Sale in any Fair or Market, or otherwise to one of the Church-wardens, Overseers of the Poor, or Constables of the Town, Parish or Extraparochial Place, to which such Cattle shall be driven, removed, or sent, or where such Cattle shall be sold, or exposed or offered to Sale, or to
some

some Inspector to be appointed by the Justices of the Peace, or Commissioners of the Land Tax as aforesaid, in that Behalf, a Certificate under the Hand and Seal or Hands and Seals of one or more Justice or Justices of the Peace of the County, Riding, Division, City, Liberty or Town Corporate, or one or more Commissioner or Commissioners of the Land Tax of the County, Riding or Division in which the Parish or Place shall lie, from whence such Cattle shall be brought, specifying the Name or Names, and Place or Places of Abode of the Owner or Owners of such Cattle; and that upon Examination on Oath of one or more credible Person or Persons, it appeared to him or them, that the said Cattle, and the Herd or Herds out of which the same was or were taken, was or were and had been, for the Space of two Calendar Months next before the Date of such Certificate, entirely free from the said Distemper or Infection. And with respect to Counties not infected, That no Person do drive, send or remove, or cause to be driven, sent or removed, any fat or lean Ox, Bull, Cow, Calf, Steer or Heifer coming from any Town, Parish or Extraparochial Place whatsoever within such County, to any Fair, Market or other Town, Parish or Extraparochial Place whatsoever, or do buy, sell, or cause to be bought or sold, or offered or exposed to Sale, any such fat or lean Cattle coming from any Town, Parish or Extraparochial Place whatsoever within such County, unless the Person or Persons driving, sending, or removing or selling such Cattle, do deliver, or cause to be delivered, to the Person or Persons who shall buy the same, a Certificate under the Hand and Seal or Hands and Seals of one or more Justice or Justices of the Peace for the County, Riding, Division, City, Liberty or Town Corporate, or of one or more Commissioner or Commissioners of the Land Tax as aforesaid, for the County, Riding or Division, where the Town, Parish or Extraparochial Place shall lie, from whence such Cattle shall be driven, specifying the Name or Names, and Place or Places of Abode of the Person or Persons selling the same, and that upon Examination on Oath of one or more credible Person or Persons, it appeared to him or them that the said Cattle, and the Herd or Herds out of which the same was or were taken, was or were, and had been, for the Space of two Calendar Months before the Date of such Certificate, entirely free from the said Distemper or Infection; and that such Beast or Beasts had been in the actual Possession of the Person or Persons selling the same, for the Space of two Calendar Months at least before the Sale thereof; except only with regard to such Calves as may be sold at or under twelve Days old, as to which, Liberty is hereby given for the Sale of such Calves, provided that before the Sale thereof,

such Certificate as is before required shall be obtained for the Cow or Cows from which such Calf or Calves came, as likewise that such Calf or Calves are in good Health, and have not, till such Time of Sale, been separated from the Cow or Cows to which they belong.

That no Person do buy, sell, or expose or offer to Sale, or cause to be bought, sold, or exposed or offered to Sale, in any Fair or Market, or any Town, Parish or Extraparochial Place whatsoever, within that Part of the Kingdom of Great Britain called England; or shall bring or send, or cause to be brought or sent to any Fair, Market or Town, Parish or Extraparochial Place whatsoever, within that Part of the Kingdom of Great Britain called England, any Raw Hide or Skin of any Ox, Bull, Cow, Calf, Steer or Heifer, unless the Owner or Owners of such Hide or Skin shall deliver, or cause to be delivered to some Constable, Clerk, Church-warden, Overseer of the Poor, Inspector, or other Officer as aforesaid, as the Case shall happen to be, a Certificate under the Hand and Seal, or Hands and Seals of one or more Justice or Justices of the Peace, or Commissioner or Commissioners of the Land Tax as aforesaid, specifying the Name or Names, and Place or Places of Abode of the Owner or Owners of such Hide or Skin; and that upon Examination on the Oath of one or more credible Person or Persons, it appeared to him or them that the Cattle from which such Hide or Skin was taken, was sound and free from Infection.

And for the more easy carrying this Order into Execution, his Majesty doth hereby require and command, That the aforesaid Oath or Oaths for removal of Cattle, Hides or Skins, shall and may be administered by the Rector, Vicar or Curate, and attested by one of the Church-wardens or Overseers of the Poor of the Parish or Place from whence such Cattle, Hide or Skin shall be brought or removed; or in his Absence, by the Rector, Vicar or Curate of some neighbouring Parish, in case no Justice of the Peace, or Commissioner of the Land Tax as aforesaid, shall be resident at that Time within three Miles of such Parish or Place; and that such Oath or Oaths so administered, certified and attested, shall be as effectual as if the same had been administered and certified by a Justice of the Peace of such County, Riding, Division, City, Liberty, or Town Corporate, or by such Commissioner of the Land Tax as aforesaid.

That the Church-wardens, Overseers of the Poor, Constables and Inspectors, or some or one of them, do stop any Cattle which shall be carried or driven, or any Hides or Skins that shall be carried contrary to this Order of his Majesty in Council, or to the said Acts of Parliament, and bring the Offender or Offenders before some Justice or Justices of the Peace, or some Commissioner or Commissioners of the Land Tax

as aforesaid, to be dealt with according to Law; and such Church-wardens and other Officers, or some or one of them, are hereby authorized, during the Time that such Offender or Offenders shall be under Examination of such Justice or Justices, or Commissioner or Commissioners of the Land Tax as aforesaid, to put the said Cattle or Hides or Skins under the Care of some proper Person; and if upon Examination before the said Justice or Justices, or Commissioner or Commissioners of the Land Tax as aforesaid, it shall appear that the said Cattle have been driven, or such Hides or Skins have been carried contrary to this Order, or the said Acts, then that he or they, in case of Cattle, do cause the same to be drove back the same Way to the Place or Grounds from whence they were brought, with some proper Person to attend them, or take such Order concerning the said Cattle, as such Justice or Justices, or Commissioner or Commissioners of the Land Tax as aforesaid, shall judge most proper, according to the Circumstances of the Case, if they are not infected: But in case it shall appear that such Cattle is or are infected, that then he or they do cause the same to be killed and buried in the Manner before prescribed by this his Majesty's Order of Council. And in case of any Hide or Skin which hath been or shall hereafter be brought, sent, or caused to be brought, sent or bought, sold, exposed or offered to Sale, contrary to this his Majesty's Order of Council, that then he or they do cause such Hide or Skin to be cut, slashed and buried in the same Manner as is herein before required to be done with respect to the Hides or Skins of the Cattle that shall be killed. And the Expences of the Persons to be employed to take care of such Cattle, Hides or Skins, are to be paid out of the County Stock, as directed by the last mentioned Act. Provided, That in all Cases where lean Cattle shall be put out to Pasture, (whether the said Pasture do belong to the Owner of such Cattle, or be hired by him) and that such Pasture shall not be found sufficient to feed the Cattle put therein, his Majesty doth hereby give Liberty to the Owners of such Cattle to remove them to some other Pasture in the Neighbourhood, though it should happen to lie in a different Parish; but that this Liberty be granted only for such Cattle as are in Health, and free from any Distemper; and that a Certificate of their being so shall be obtained before their Removal, in like Manner as is herein before required to be obtained upon the driving or removing and selling fatted Cattle; and that such Certificate be delivered to one of the Church-wardens, Overseers of the Poor, or Constables of the Town or Parish to which such Beasts shall be so removed, or to some Inspector appointed or to be appointed by the Justices of the Peace, or the Commissioners of the Land Tax as aforesaid.

B .

And his Majesty being also desirous to remove any Impediments upon Husbandry, so far as may be done with Safety, is pleased by this his Order, to permit and allow, That Ox Teams in any Kind of Carriages may be driven from one Parish or Place to another, provided such Teams be not driven nearer than three Miles to any Place whete the Distemper is or shall happen to be amongst the Horned Cattle; and provided also, that before such Oxen shall be permitted to be so driven, a Certificate, in the Manner before mentioned, be obtained, of the Name or Names, and Place or Places of Abode of the Person or Persons to whom the said Ox Team doth belong: And that the said Oxen, and the Herd or Herds out of which the same was or were taken, had been, for the Space of six Weeks before the Date of such Certificate, entirely free from the said Distemper or Infection.

That no Ox, Bull, Cow, Calf, Steer or Heifer, either fat or lean, nor any Raw Hide, or Skin of such Cattle, be suffered to pass the Rivers Humber and Trent, or either of them Northward; nor the Rivers Severn and Dee, or either of them, Westward: And for that Purpose his Majesty's Justices of the Peace, as also the Commissioners of the Land Tax as aforesaid for the several Counties, Hundreds, Ridings and Divisions through which the said Rivers run, are hereby required to cause strict Watch to be constantly kept to guard all the Bridges, Fords, Boats and Ferries upon the said Rivers; and the Person or Persons who are to keep such Watch, are required to carry all Offenders herein before the next Justice of the Peace, or Commissioner of the Land Tax as aforesaid, to be dealt with according to Law. Provided nevertheless, that Liberty be granted to the Tanners of the Parishes and Towns situate on the Western Side of the River Severn, in the County of Worcester, (which County hath been hitherto free from the Infection) so long as the said County shall keep clear of the Infection, to bring over the said River Westward, the Hides and Skins of the Beasts and Calves that shall be slaughtered within the County of Worcester, notwithstanding any Thing contained in this his Majesty's Order of Council to the contrary: Provided the said Tanners do first obtain such Certificates as to the Health of the Beasts and Calves from which such Hides and Skins, shall be taken, as are herein before required to be obtained upon the selling Hides or Skins.

And his Majesty doth hereby strictly charge and command, that no Person do presume to alter or counterfeit any Certificate already granted or hereafter to be granted for the removing, driving, or Sale of any such Beast, Hide or Skin as aforesaid, or to sell, or cause to be sold, or expose or offer to Sale, any Beast,
Hide

Hide or Skin with such Certificate so altered or counterfeited, upon Pain of being strictly prosecuted for the said Offence.

And for the better preventing the spreading of the said Distemper by the holding Fairs and Markets, his Majesty doth by this his Order of his Privy Council, hereby authorize and empower any four Persons, being Justices of the Peace, or Commissioners of the Land Tax authorized as aforesaid, within their respective Divisions, to put a Stop to the holding of any Fairs or Markets for the buying and selling of any of the said Sorts of Cattle where they shall apprehend the holding thereof may be attended with the Danger of spreading the said Distemper. — And his Majesty doth hereby strictly forbid the sending, driving or removing, or causing to be sent, driven or removed, any such Cattle to any Fair or Market so prohibited: And the said Justices or Commissioners are hereby authorized and required to cause such publick Notice to be given of the putting a Stop to such Fair or Market as they shall think reasonable; and the Day to be so appointed for the ceasing of all such Markets or Fairs shall be the Time from which the same shall be deemed to be prohibited:—And the said Justices or Commissioners shall issue their Orders to the Chief Constable or Headborough of the Hundred, Lathe, Rape or Wapentake, and to the Petty Constables of the respective Parishes within the same, to prevent the holding such Fair or Market: And if any Person or Persons shall presume to drive, remove, or send, or cause to be driven, removed or sent, any such Cattle to such Fair or Market, contrary to the Orders issued by the said Justices or Commissioners in that Behalf, such Person or Persons so offending shall be carried before some neighbouring Justice or Commissioner as aforesaid, to be dealt with according to Law.

His Majesty doth hereby empower and require the Justices of the Peace of the several Counties, Ridings, Divisions, Cities, Liberties and Towns Corporate; and the Commissioners of the Land Tax as aforesaid, or any four of them, to appoint one or more Inspector or Inspectors of the Houses, Buildings, Grounds and Cattle in their respective Divisions where any Infection now is, or hereafter shall appear to be, or be likely to come, for the Purposes contained in this his Majesty's Order of Council, who are to take Care that such infected Cattle be killed as soon as the Distemper shall appear upon them, and to do every other Thing according to this Order, and such Instructions as they shall receive from the said Justices or Commissioners of the Land Tax as aforesaid from Time to Time, to answer the Ends thereof.

And his Majesty doth hereby further order, that no Person do presume to obstruct any Con-

stable, Church-warden, Overseer of the Poor, Inspector, or other Person to be appointed by the Justices of the Peace or Commissioners of the Land Tax as aforesaid, to assist in the Execution of the Powers or Directions given or to be given in Pursuance of this Order; and that whosoever shall disobey any of the Rules, Orders or Regulations appointed by this his Majesty's Order of Council, shall be strictly prosecuted for the Penalty inflicted by the said Act.

Provided, that nothing herein contained shall extend to indemnify any Persons who have been guilty of any Offence or Offences against any of the former Orders of Council, during the Times they continued in Force, from the Penalties inflicted by the said Acts.

And his Majesty doth hereby recommend it to all Cow-keepers, Farmers and other Persons, that they do cause all the Hay which such infected Cattle have breathed upon, and all the Hay, Straw or Litter that they have touched or has been near them, to be forthwith removed and burnt; and that no Person, who shall attend any infected Cattle, shall go near the sound ones in the same Cloaths; and that they do cause the Houses or Buildings, where any such infected Cattle shall have stood, to be cleaned from all Dung and Filth, and wet Gunpowder, Pitch, Tar or Brimstone, to be fired or burnt in several Parts of such Buildings, at the same Time keeping in the Smoke as much as possible; and that the same be afterwards frequently washed with Vinegar and warm Water; and that no sound Cattle be put therein for two Months at least.

And for the more effectual carrying into Execution the said Rules, Orders and Regulations, his Majesty doth strictly command, that the several Justices of the Peace for the several Counties, Cities, Ridings and Towns Corporate in this Realm, and Commissioners of the Land Tax as aforesaid, where the said Distemper has already appeared or shall appear, do meet together forthwith, or immediately after the said Distemper shall appear within their respective Divisions, and subdivide and distribute themselves in order to meet in less Numbers in such Parts and Places as shall be most useful, and consider of such Methods as shall be most proper to carry the said Rules and Orders effectually into Execution; and for that Purpose, that they meet from Time to Time, as often as shall be necessary, to answer the End of this Order, so long as the Infection continues in the Neighbourhood, to give such Instructions to the Constables, Church-wardens and Overseers of the respective Parishes, and such Inspectors, pursuant to the Powers herein given, to receive Accounts from such Officers of what they shall do from Time to Time in pursuance of this Order and such Instructions, to hear Complaints, and punish Offenders against the said Rules, Orders and Regulations; to transmit to his Majesty's Privy Council,

Council, from Time to Time, a particular Account of their Proceedings, and to do whatever shall be necessary to render this Order most effectual.

And his Majesty doth further strictly command all Constables, Church-wardens, and Overseers of the Poor, and Inspectors, as soon as they shall know or be informed that any of the said Sorts of Cattle within their respective Districts are infected, to go to and take an exact Account of the Number and Sorts of such Cattle in the Possession of any Person, distinguishing the Infected from such as are not so, and to repeat those Accounts Weekly, and to see that the infected be killed as aforesaid, removed and buried according to the abovementioned Rules; and that all other the beforementioned Rules, Orders and Regulations, and such Directions as shall be given by the said Justices or Commissioners, be punctually performed and obeyed; and that they do, from Time to Time, transmit to the Justices or Commissioners, at each of their Meetings, an exact Account of all that they shall do or cause to be done, in pursuance of this Order, and likewise of all Neglects or Breaches thereof, and prosecute the Offenders therein before the said Justices or Commissioners for the Penalty inflicted by the said Act; and that they do take an exact Account of all such Cattle as shall be killed or die as aforesaid, either by them or by the Owners, in Pursuance of the aforesaid Regulations, and transmit the same to the said Justices or Commissioners, together with the true and real Values of such Cattle, as do not exceed the respective Sums of Forty Shillings each for all but Calves, and Ten Shillings respectively for Calves, at the respective Times immediately before they were infected; and that they take particular Care, that the Owners do divide their Cattle into as many small Parcels as their Ground will admit of, and at some reasonable Distance from each other; and that they do carefully gather, or cause to be gathered up, the Dung of all Infected Cattle, and that the same be buried deep under Ground.

And for the Encouragement of the Owners of such infected Cattle, his Majesty doth hereby promise, that they shall be paid by the Commissioners of the Treasury for every such infected Beast which shall be killed and buried, according to the said Rules, immediately after the Infection shall first appear upon them, one Moiety, or Half the Value of such Cattle, not exceeding the Sum of Forty Shillings for each of the said Sorts, excepting Calves, and not exceeding Ten Shillings for each Calf, and Ten Shillings for the Hides and Horns of every such Beast, except Calves, as shall die of the said Distemper, and be flayed and buried according to the said Rules, Orders and Regulations; the Numbers and Values and Conformities to the above-mentioned Rules to be ascertained by the Oaths of one Constable, Church-warden, Overseer or Inspector, and one other credit

Person, as a joint Witness with such Officer, to be taken before one or two of the said Justices or Commissioners of the Land Tax as aforesaid, who shall certify under his or their Hand or Hands, the Sums of Money which such Owners shall appear, to their or his Satisfaction, intitled to by virtue of this Order for infected Beasts killed, flayed and buried, and also for the Hides and Horns of such infected Beasts as shall die of the said Distemper, and be flayed and buried according to the above Regulations.

And his Majesty doth therefore hereby notify and declare, That the Recompence promised by his Majesty shall be paid without Fee or Reward, or any Deduction whatsoever, by John Sharpe, Esq; Solicitor of his Majesty's Treasury, at his Chambers N^o 11. in Lincoln's Inn, or his Assistant, in whose Hands Money shall be constantly deposited, to answer the Demands of all such Persons who shall bring or send Certificates to him in the Manner and Form required.

And his Majesty doth hereby require, that all Persons empowered by this Order to grant Certificates for all or any of the Purposes herein before mentioned, shall grant the same Gratis, according to the Directions of the said last mentioned Act.

And whereas the Lords of his Majesty's Privy Council did, by their Order on the 25th of November 1745, nominate and appoint certain Justices of the Peace to take due Order and Care in relation to the infected Cattle in the County of Middlesex, by pursuing the same Methods that were used in the Year 1714, which Justices have appointed Inspectors or Surveyors; and have from Time to Time reported to the Lords of his Majesty's Privy Council therein. And whereas it will create a great and unnecessary Expence if the Justices of the Peace should appoint particular Inspectors for every Division in the said County of Middlesex, his Majesty doth therefore hereby require and command, that the Justices named in the said Order, do proceed in the Execution of the same, and do likewise put in Execution this his Majesty's Order of Council within the County of Middlesex.

And for the better notifying of this Order, it is his Majesty's Pleasure, that the same be forthwith printed and published, and be also inserted in the next London Gazette; and be likewise read in all Parish Churches, Chapels, and other Places set apart for Divine Worship, on the First Sunday after the Publication thereof, and on such Sunday in every Calendar Month, as the Minister of such Church, Chapel, or other Place shall think proper, as directed by the said last mentioned Act.

Turin, June 18, N. S. By a Courier just arrived from Count de la Roque, we have an Account, That in the Night between the 13th and 14th Instant, Count Schulemberg, after having settled every Thing necessary for the Attack of the Suburb of Bisagno, which it was generally thought would not be secured without much Slaughter, had marched thither with a Body of 15000 Men. The Enemy had raised 15 Redoubts to cover that important Post, but as they were all but one filled with Genoese Militia, there was but that one in which was a Body of Spanish and French Swiss, under the Command of Marquis Taubin, a Major General, that made any Resistance. The others were all abandoned without firing a Shot, as the Imperialists advanced to attack them. In forcing that which the regular Troops defended, and in which the greatest Part of the Enemy's Detachment was killed or taken, Count Schulemberg had but 14 Men killed, and between 30 and 40 Officers wounded. Marquis Taubin was carried off by some of his People sorely wounded. We have six of the Enemy's Officers, three of them Captains, Prisoners. By this Success the Imperialists now extend their Troops to the Eastward of Genoa, from the Mountains to the Sea Shore, and not only streighten the Town considerably themselves, by cutting off the Communication with the Riviera di Levante, and all the Supplies the Genoese draw by Land from thence, and the States of Lucca and Tuscany, but also enable our Ships to do as much by Sea. By Letters from Baron Leutrum there is an Account, that the Castle of Villa Franca has surrendered, the Garrison being Prisoners of War, and that the French were advancing towards Ventimiglia.

Copenhagen, June 20. An Augmentation of the Troops in Norway is designed to be made, which will add about Nine thousand one hundred and twenty Men to the Army of that Kingdom, in which a Body of about Six hundred Men will be restored, who are provided with an uncommon Sort of Fire-Arms, and, by Means of long Skates of Wood, go exceeding swiftly upon the Snow when it is frozen.
