CASE the 56th, of many Hundreds of the like Nature, which will be occasionally published in the Gazette.

MR. THOMAS HUTCHINS, at Count Mynish's Head, in Shoreditch, the Corner of Queen-street, Golden-square, about 27 Years of Age, was some Time in February last, seized with a violent Fever, attended with a Cough, excessive Pain in his Head, especially when he cough'd, and a severe Pain in his Back, and could get little or no Rest. For many Years, previous to this, he had been subject to an habitual Cough, which had been so dangerous, that those who attended him more than once thought him so far advanced in a Consumption, that he was past Relief. In this Situation he took one of Dr. JAMES'S Fever Powders, March 4, in the Evening, after having had his Fever ten Days, and taking many Medicines without any Benefit. The Powder made him sick a good Part of the Night, purged him a little, and made him sweat plentifully. The next Morning he was free from his Fever, and in a great Measure from his Cough; However, he took two more of the same Powders, which operated much less than the first, and immediately upon this he perfectly recover'd his Health, and has ever since been entirely free from his Cough, which, for many Years, had tormented him daily.

* * These Powders are seal'd with a Serpent winding round a Branch of Laurel, and round the Seal these Words, *By the King's Patent*; and are sold only by *J. Newbery*, at the Bible and Sun in St. Paul's Church-yard, and at the Blue Ball in George Yard, Lombard-street, London. Price 2s. 6d. the two Doses.
