At a Meeting this Day of the several Justices appointed by the Lords of his Majesty's Privy Council by their Order on the 25th of November 1745, to put in Execution his Majesty's several Orders of Council within the County of Middlesex, in Relation to the Infected Cattle.

Whereas the Time draws near for holding a Fair in this County, called Welsh Fair, for the selling of Horned Cattle, which said Fair used to be held at Islington, but lately has been held at Barnet: And whereas we have Cause to believe the said Infection, which, during the Summer Time in this County has greatly decreased, has for some Years, by Reason of this Fair, broke out again, and raged very much during the Months of September, October and November; Therefore in order to prevent such Spreading of the said Distemper, and in Pursuance of the Powers and Authorities given as well by his Majesty's Orders in Council, as by the several Acts of Parliament in that Behalf made, we do order and direct, That no Fair or Market, or other publick Place of Sale, be held or kept within this County for the Sale of Horned Cattle, except fat Cattle for immediate Slaughter, from the 15th Day of August next to the 29th Day of September following; and that no Person or Persons shall, or do presume to drive, send or remove, or cause to be driven, sent, or removed, any Horned Cattle, (except fat Cattle for immediate Slaughter) to any Fair, Market, or other publick Place of Sale in this County, within the Time before mentioned, under the Pains, Penalties and Forfeitures mentioned, set or imposed by his Majesty's said Orders in Council, or the said Acts of Parliament, or any of them in that Case made: And for the notifying this Order, it is further directed, that the same be inserted in the London Gazette, the Daily Advertiser, and the London Evening Post.

By Order of the said Justices,  
James Willder, Clerk.
