P R E S E N T,

The Lords of His Majesty's most Honourable
Privy Council.

WHEREAS upon Information of the
Plague raging with great Violence
at Constantinople and Parts adja-
cent, His Majesty thought proper,
by His Order in Council of the Fourth of
September last, to require and command all
Ships and Vessels that should arrive after that
Time from the Levant, to perform a Quarantine
of Forty Days in Standgate Creek—And
whereas some Doubts may arise concerning the
Extent of the Levant, it is therefore judged
necessary hereby to declare and order, that the
Levant be understood in this Case (as formerly
on like Occasions) to extend itself Eastward from
the Isle of Corfu on the Borders of Greece in the
Ionian Sea, and from Cape Rufata on the Coast
of Barca in Africa. Whereof the Lords Com-
missioners of his Majesty's Treasury, and the
Lords Commissioners of the Admiralty, are to
take Notice, and give the necessary Directions
herein accordingly.

W. Sharpe.

Naples, Sept. 23. The King is determined
if possible to have the Men of War and
Frigats now actually upon the Stocks, launch-
ed early in the Spring, for which Purpose
his Majesty has given Orders that the Work-
men be paid for working all extraordinary
Hours. Two of our Gallies, which have been
cruizing for some Time upon the Coast of Ca-
labria, against the Barbary Pyrates, are returned
into Port, in order to be repaired, having suffer-
ed very much lately in a violent Storm. The
King has appointed Don Mirabelli, to be one of
the Judges of the Criminal Court of Justice of
this Kingdom.

Rome, Sept. 25. The Pope has given M.
Maggi Leave to resign his Employment of Pre-
sident of the Mint, and M. de Bonacorfi is ap-
pointed to succeed him. Orders are dispatched
to all the Frontiers of the Ecclesiastical State,
for the late Prohibition against sending of Corn
out of this Country, to be strictly carried into
Execution. The Collection that has been made
in this City, and its Neighbourhood, for the
Relief of the Sufferers by the late Earthquakes
at Ombria and Ancona, amount to a very con-
siderable Sum, the greatest Part of which has
already been remitted to them for their present
Subsistence. They write from Civita Vecchia,

that no less than twenty Smugglers were seized
last Week in the Neighbourhood of that City,
who were all committed to Prison, and ordered
to be prosecuted immediately. The Pope is
perfectly recovered from his late severe Fit of
the Gout, and appears again in Publick as be-
fore.

Genda, Sept. 26. M. Chauvelin, Minister
Plenipotentiary from France, continues to have
frequent Conferences with the principal Mem-
bers of this Government, in Relation to the
preserving the Tranquility that is to happily
established in Corsica. We have just received
Advice, that a Tunesian Corsair has taken a
Neapolitan Pink in the Sea of Tuscany.

Leghorn, Sept. 26. The Pope's Gallies, that
were drove into this Port a few Days ago by con-
trary Winds, are put to Sea again, and sailed
for the Island of Corsica, where they are to be
joined by some Genoese armed Vessels that are
ordered to go with them on a Cruize against the
Algerine Corsairs, who appear in great Num-
bers on the Coast of the Ecclesiastical State, and
greatly interrupt the Commerce. The Master
of a French Ship just arrived in this Port from
Tunis says, that four large Gallions, and two
Tartanes, were fitting out there by Order of
the Dey and Regency, and that it was confi-
dently reported they would be ready to put to
Sea by the Beginning of next Month, in order
to cruize in the Spanish Seas.

Warsaw, Sept. 26. All the Accounts we
receive from Turky agree, that although the
Ottoman Troops, who advanced some Months
ago into the Neighbourhood of Checzin, Bender
and Oczakow, continued very quiet in their re-
spective Quarters, yet the repairing and aug-
menting the Fortifications of these three Places
were carrying on with great Vigour by the
Grand Seignior's express Orders.

Vienna, Oct. 2. Preparations are making at
Schonbrun for celebrating the Emperor's Name-
Day on Monday next. 'Tis said a Resolution
has been taken to keep 30000 Imperial Troops
on Foot in Bohemia, for the enabling this
Court to be always ready to fulfill its Engage-
ments with that of Russia. Yesterday the Court
went into Mourning for the Death of the Elec-
tress of Bavaria, and the young Prince of Est,
second Son of the Duke of Modena. Her Im-
perial Majesty has sent Orders to the Command-
ing Officers of her Forces quartered on the
Frontiers of Hungary, bordering on the Domi-
nions of the Grand Seignior, to cause the
Troops under their Command immediately to
form a Line, in order to prevent the Plague,
which still rages pretty much in some of the
neighbouring

neighbouring Provinces, being brought into her Dominions. The Empress has appointed M. de Cammermayer, to be Governor of the important Fortrefs of Clausenbourg, upon the Frontiers of the Bannat of Tameswear.

Leipsick, Oct. 4. According to all Appearance our Fair will be extreamly brilliant this Year, owing principally to the Presence of their Majesties, and the young Royal Family, who arrived here last Saturday.

Copenhagen, Oct. 4. The Court is still at Friedensbourg, but their Majesties are expected here some Day next Week. Several of the Nobility, and other Persons of Distinction of both Sexes, are gone with the King's Permission to Stockholm, in order to see the Ceremony of the Coronation of their Swedish Majesties. A few Days ago one of our Ships arrived here from Saffia, by which we received an Account of the Methods that are taking there for increasing our Commerce with the Barbary Coast, which 'tis computed will now be soon put in such a flourishing Condition, as to produce yearly to this Kingdom at least a Million of Germany Crowns.

Berlin, Oct. 5. The Ceremony of the Marriage of M. Marschalls, eldest Son of the late Privy Counsellor of that Name, with one of the Daughters of Count Podewils, his Majesty's Prime Minister, was performed here Yesterday with great Magnificence; to which almost all the Nobility in Town were invited and assisted. We have received Advice by the last Post from Silesia, that a Fire broke out on the 27th of last Month in the little Town of Sulau, which burnt with such Violence, that the greatest Part of the Houses were consumed before it could be extinguished.

Frankfort, Oct. 6. The Landgrave of Hesse Darmstadt, accompanied by a numerous Retinue, passed by here last Saturday for Giessen, to which Place he was going in order to take the Diversion of Hunting in the Forests in that Neighbourhood. We have already began the Vintage in several Places; and as we have had very fine Weather for these eight or ten Days past, 'tis hoped the Wines will prove much better than were expected.

Wetzlar, Oct. 8. Last Monday being the Feast of St. Francis, whose Name the Emperor bears, the same was celebrated here with great Magnificence. On this Occasion a general Discharge was made in the Morning of the Cannon upon the Ramparts. At Noon all the Members that compose the Imperial Chamber went in a Body to the principal Church of this City, and assisted at Te Deum which was sung to Musick; during which another Discharge was made of our Artillery; the Citizens, who were under Arms, making at the same Time several Discharges of their Small Arms. After Divine Service the Prince of Hohenlobe Bartenstein gave a sumptuous Entertainment to the Members of the Imperial College, of one hundred Covers; which was followed by a Ball that lasted till Midnight.

Brussels, Oct. 14. Prince Charles of Lorraine, our Governor General, is expected here from Vienna about the 25th or 26th of this Month, when 'tis said some Affairs of Importance will be brought on the Carpet.

Hague, Oct. 18. The States of Holland and Westfrizeland have continued To-day their Deliberations; as have likewise the Deputies of the several Colleges of the Admiralty of this Country. The Duke of Brunswick Wolfenbuttel is daily expected here from his Government of Bois-le-Duc.

However, President, Burghmasters and the Supreme Court of Justice in the Imperial City of Bremen, by submit's Supplication of the respective Heirs and Grand-Children of Mr. Gert Henrichs, to wit, Franssca Juliana Raaken, Wife of Mr. John Bodeker, and Anna Raaken, Wife to Mr. John Christian Wigands, and Mr. Gerhard Möller, through a publick and open Edit of the 16th of April past, of this current Year, has cited and provoked Mr. Henrich Henrichs, or in case he should be deceased, his legitimate Heirs, or their or his legitimate Attorney, to be present here in Bremen at the 13th of September pass'd, and to appear at such a prefixed and appointed Day before same aforesaid Supreme Court of Justice, to give an Account of his long Absence, as well as an Account of all the Papers and Instruments concerning his dead Father, and the Money he hath taken in Hands after his dead Brother in Holland Mr. Nicol Henrichs, with all the Dependencies to this Affairs, directly or indirectly concerning: Besides this, it was in the same aforesaid Citation intimated, that if Mr. Henrich Henrichs, or his Heirs or Attorney, should be in Neglect to appear, the Inheritance which is here at present to be distributed, should be divided to the other Heirs here present: Nevertheless none of the respective Incumbents, neither Mr. Henrich Henrichs, his Heirs or Attorneys, have appeared here at the prefixed Day the 13th of September. Also the President, Burghmasters, and Court of Justice, by this open and publick further Citation, SUB PRIORI PRÆJUDICIO ET EX SUPER-ABUNDANTI, will make known, that a new and ultimate Day is prefixed, at the 29th of November An. Cur. upon which Day the 29th of November this Year 1751. at Nine o'Clock in the Forenoon, Mr. Henrich Henrichs, his Heirs or lawful Attorneys, ought to appear upon this Town's House, and before the respective Court of Justice, to give Answer and Account in all the Matters above mentioned; and if this appointed Day should be neglected, the Court of Justice will and cannot hinder or forbear to finish the Law Suit concerning that Inheritance that belongs to the aforementioned respective Heirs of Mr. Henrich Henrichs, and distribute it to each here present, their due Portion. And that such a Conclusion the more may be published and known, it is written down in this publick News Paper, and duly printed, that the Incumbents may duly observe and take Care of their own Damage and following Inconveniency. Bremen, the 20th of September, Anno 1751.
