DR. JAMES's Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of his Majesty's Royal Letters Patent, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleuritis, Quincies, acute Rheumatism, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very dangerous Disorder, the Source of almost all Distempers.

These Powders are sold only by J. Newbery, at the Bible and Gun in St. Paul's Church-yard, over against the North Door of the Church, at 6 d. the two Doses, with good Allowance to those who buy, therefor charitable Uses, or to sell again.

N. B. Attendance is given by Mr. Newbery or his Agents at the Amsterdam Coffee-house near the Royal Exchange, every Day from Twelve till Two, to receive Orders for Exportation.

On Monday the 18th Instant will be published,
