

Vienna, Nov. 15. Last Week the Court dispatched an Express to Petersbourg, with the Pictures of their Imperial Majesties and the young Imperial Family, as likewise those of Prince Charles and the Princess Charlotte of Lorrain; they were done at the Desire of the Empress of Russia, and are to be placed in the Great Hall of her Palace of Czarkazelo. On Monday next their Imperial Majesties propose coming hither from Schonbrun for the Winter. We have received Advice, that the Differences which have subsisted for some Time past between the Electors of Saxony, Bavaria, and Palatin, in Relation to the Right of exercising the Function of Vicar of the Empire, in Case of the Emperor's Death, are at length happily adjusted to the mutual Satisfaction of those three Courts. This News gives great Pleasure here, and 'tis said the Convention agreed upon on this Occasion, will be immediately laid before the Diet of Ratisbon for their Approbation, in order to its being afterwards ratified by his Imperial Majesty.

Hague, Nov. 25. Yesterday the States of Holland and Westfrizeland opened their Assembly. This Day her Royal Highness the Princess Governante nominated the Magistrates of this Place for the Year ensuing.
