

Whitehall, January 17, 1752.

Whereas it has been humbly represented to the King, that, on Thursday the 26th of December last, about Seven o'Clock in the Evening, a Fire broke out, in an Out-house, belonging to John Framingham, Esq; at Walsingham, in the County of Norfolk, which, in a short Time, consumed the same, and two other Out-houses, adjoining thereto, and greatly endangered a large Barn, almost full of Corn, and many other contiguous Buildings; and, that, there is the strongest Reason to believe the said Out-house, was wilfully, and maliciously, set on Fire; His Majesty, for the better discovering, and bringing to Justice, the Person or Persons, concerned therein, is pleased to promise his most gracious Pardon to any one of them, (except the Person who actually set the said Out-house on Fire,) who shall discover his, or her Accomplice, or Accomplices in the said Fact, so, that he, she, or they, may be apprehended and convicted thereof.

HOLLES NEWCASTLE.

And, as a farther Encouragement, the said John Framingham does, hereby, promise a Reward of Twenty Pounds, to any Person, or Persons, making such Discovery as aforesaid, (except the Person who actually set Fire to the said Out-house) to be paid upon the Conviction of one, or more, of the Offenders.

John Framingham.

* * * As there are a greater Number of Sheets in these Volumes than are usually given, or indeed can be well afforded for Six Shillings, it has been insinuated, that the Proprietors thereby intended to undermine and prevent the Sale of other Books of the like Nature; but nothing can be more invidious and wicked than such a Conclusion. The only Motive that induced them to put this Book at so low a Price was, that true Medical Knowledge might be propagated on as easy Terms as possible, and that every Practitioner might procure to himself the Means of acting rationally, of knowing the Sentiments and Practice of all eminent Physicians on the several Diseases to which Human Nature is subject, and of doing the utmost Justice to those who entrust their Lives to his Care. If these Reasons are not thought sufficient to extenuate the Charge brought against them, they can produce the Testimony of four eminent Physicians, who were privy to the Affair, and know that what we have inserted is nothing but the Truth.
