Naples, Feb. 8. The great Rains that have fallen in this Country for some Days past, have made the Roads impassable in many Places, to the great Hindrance of Commerce; and even some of the Couriers are obliged to go many Miles about before they can reach this City. A few Days ago the Aid Major of Barri's Regiment, who went off some Months since with a considerable Sum of Money he was intrusted with to purchase Cloth for that Regiment, was apprehended at Capua, where he has ever since secreted himself, and last Week he was escorted to this Place by a Detachment of Grenadiers, and committed to Prison.

Bonn, Feb. 10. The Elector our Sovereign proposes to leave Munich on the 8th or 9th of next Month on his Return hither. The great Quantity of Snow that has fallen here of late, has added greatly to the Diversions of the Carnival, as many of the Nobility and Gentry are almost daily Coursing in Sledges. We learn by our last Letters from Franckfort, that all the Imperial Officers in that City and its Neighbourhood, who have been there recruiting for some Time, have received Orders to repair to their respective Regiments, in order to be present at the General Reviews, that are appointed for the Month of April next. The same Letters add, that the French continue to buy up great Quantities of Corn in the Lower Palatinate, and in the Dutchy of Wirtembourg, in order to fill their new Magazines in Alsace.

Rome, Feb. 12. The Differences which subsisted between this Court and that of Modena, are at last happily adjusted, and the Marquis Salvatico, who came here for that Purpose from Modena, is preparing to return to his Court.

Warsaw, Feb. 19. Their Majesties are expected here in the Month of May next, and 'tis said they will be accompanied by the Princes Charles and Xavier: They propose to stay here some Part of the Summer, and then go to Grodno, in the Great Dutchy of Lithuania, to assist at the General Diet of the States of that Kingdom, which is to assemble in the Beginning of October. We are informed by

Letters from Podolia, and other Provinces on the Frontiers, that Count Branicky, General of the Crown Army, has taken such prudent Precautions in the posting of his Troops, that no considerable Body of Heyducks have ventured to shew themselves for some Weeks past.

Hambourg, Feb. 25. M. Poniso, the Spanish Consul, sets out this Evening or To-morrow Morning for the Hague, agreeable to the Orders he received by the last Post to quit this City immediately.

Brussels, Feb. 28. 'Tis said the States of Brabant have at last come to a Resolution to rebuild the ancient Palace that was burnt down, and that the same will be begun as soon as the necessary Funds are provided. They continue working at the Canal from Bruges to Ghent, and 'tis thought it will be finished by the End of the Summer.

Groninguen, Feb. 28. Her Royal Highness the Princess Governante has been pleased to augment the Number of Professors in this University, who are to read publick Lectures, viz. Messrs. Bertling and Hollebeek on Theology; Messrs. Schwartz and Rukkers on Law and Equity; M. Lennep on the Oriental Languages; M. Wynpers on Philosophy; and M. Moine on the English and French Languages.

Admiralty-Office, Feb. 29.

Some of His Majesty's Subjects, on Board the Ship, King of Prussia, which arrived in the Downs on the 12th Instant from Embden, having applied to His Majesty's Officers, that they might be released, alledging, that they were detained contrary to their Will, Captain Baird, of His Majesty's Ship the Surprise, did, pursuant to the General Instructions relating to His Majesty's Service at Sea, immediately demand them, and they were given up.

DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms; But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure. *

It is likewise a most effectual Remedy for all internal Inflammation, Pleurishes, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold only by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again.

* See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above mentioned. Price 6 d.

*† This Medicine, by special Appointment, (and to prevent a Counterfeit Sort, that is vended by several Persons in Ireland) is sold in that Kingdom, only by Mr. James Esdall, Bookseller, on the Blind Quay; and by Mr. Henry Delamain and Co, at the India Warehouse, in Abbey-street, Dublin.

By the **KING'S PATENT.**
