DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure. *

It is likewise a most effectual Remedy for all internal Inflammation, Pleurisies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences rising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold only by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again.

* See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned. Price 6 d.

*† This Medicine, by special Appointment, (and to prevent a Counterfeit Sort, that is vended by several Persons in Ireland) is sold in that Kingdom, only by Mr. James Esdall, Bookseller, on the Blind Quay; and by Mr. Henry Delamain and Co. at the India Warehouse, in Abbey-street, Dublin.

By the KING'S PATENT.

HIS MAJESTY having been graciously pleased to grant his Royal Letters Patent, bearing Date at Westminster the 17th Day of October 1751, in the 25th Year of his Reign, unto Richard Rock, of the Parish of St. Bridget, otherwise Bride's, London, Licentiate in Medicine, for his New Compound Medicine, or Anti-Venereal Cathartic Electuary, for the true Cure of fresh Venereal Injuries, and all the lurking Relicts or Remains of old ones, which he has brought to a surprizing Degree of Perfection in the Cure of the several Stages of the Venereal Distemper, from the slightest Infection to the most inveterate Degree thereof, without breaking or impairing the Constitution, enervating the human System, or leaving any Foulness or Weakness behind: This is therefore to acquaint the Publick, for whose Use and Benefit the said Letters Patent were principally obtained, that the said most admirable Electuary is sold by him at the Golden Head and Key, Bell Savage Inn Gateway, Ludgate-Hill, London, at only 6 s. the Pot: Where Advice is to be had, and all Debilities, Obstructions of the urinary Passages, and Gleets, are absolutely cured.

THE Creditors of Abraham De Paiba, the Younger, late of London, Broker, a Bankrupt, are desired to meet the Assignees, on Monday next, at Garraway's Coffee-house in Exchange-Alley, at Eleven of the Clock in the Forenoon, to hear a Proposal made by the Bankrupt, and to come to a Resolution thereon.
