Naples, June 19.

THE 13th Instant being the Birth-Day of his Royal Highness the Hereditary Prince, who enter'd into the Sixth Year of his Age, the same was celebrated at Court; and in the Evening there was a triple Discharge of the Cannon of the Fortresses. On the 18th the Bali Buegues arrived here from Malta, with full Powers from the Grand Master to the King, to treat and reconcile the Disagreements with the Bishop of Siracusa, relating to the Visitation, which the latter insists upon having a Right to make, to the Bishoprick of Malta, as Suffragan of that of Siracusa.

Rome, June 23. On the 16th Instant anchor'd at Civita Vecchia, on their Return from Marseilles, three of the Pope's Gallies, which had attended M. di Calignac, which, after having taken in some Refreshments, were ordered again to Sea on a Cruize against the Barbary Pyrates. On the 17th the Prince of Ardore, the late Neapolitan Ambassador to the French Court, who arrived on the 11th Instant from Paris, sat out with his Lady and Family, on his Return to Naples. On the 21st M. Stadion, the German Auditor di Rota, received a Courier, who, it is said, brought an Account of the Death of the Prince and Bishop of Bamberg. The same Day, being the Festival of Corpus Christi, the Pope, who is at Castle Gandolfo, attended by several Cardinals and Prelates, and many Gentry, performed the Function of the usual Procession on that Occasion.

Rome, June 25. There are Advices from Turin, that M. Merlini, the Pope's Nuncio, is dangerously ill there.

Florence, June 29. A few Days ago the Marquis Alamanni, a Florentine Nobleman, and Inspector of the Silk Manufacture, who had always been esteem'd a very prudent Man, was found dead in his Bed, with eight Wounds, which he had given himself with a Penknife: The strictest Examination has been made, by Order of the Government, into every Circumstance relating to this tragical Action, but nobody pretends to guess at the Motive of it. The Celebration of the Feasts of St. John having been deferr'd on account of Corpus Christi

Day, till this Morning, M. Tornaquinci, the Secretary of State, whose Turn it was to represent the Emperor's Person on this Occasion, being attended by all the different Magistrates of this City, and a proper Guard, received the publick Homage on the Great Ducal Place, from the respective Towns and Feudatories of Tuscany, and every Thing passed with great Decency and Magnificence. On the 26th M. Arostequi, Ambassador from the King of Spain to the Court of Naples, arrived here from Parma in his Way to Naples. On the 28th General Salins returned hither from the Pisa Baths, where he had been a few Weeks for the Benefit of those Waters. Last Week arrived here the Earl of Pembroke, the Earl of Dartmouth and Lord North, the Earl of Tylney, Lord and Lady Kilmurry, Lady Chapman, and many other English Gentlemen.

General Numfen has received a Gratification from his Majesty of 4000 Crowns, as a Reward for the extraordinary Expences he has been at, on Occasion of the late Camp, of which he had the Command.

Paris, July 6. On the 29th of last Month some Deputies from the Town of Havre de Grace, with the Duke de St. Aignan, Governor of that Place, and several other Persons of Distinction at their Head, were introduced to the King, and had the Honour to present his Majesty with a printed Relation, illustrated with Copper-Plates, of his Majesty's Journey to and Residence in that Town in the Month of September 1749. They met with a very gracious Reception, as well from the King, as afterwards from the Queen, the Dauphin, and all the Royal Family; to whom they had also the Honour to present the like Token of their Respect and Loyalty.

DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure. *

It is likewise a most effectual Remedy for all internal Inflammation, Pleurisies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Efdall, Printer, on the Blind Quay, Dublin.

* See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned. Price 6 d.
