New and Universal Dictionary

O F

A R T S and S C I E N C E S .

Illustrated with above THIRTY COPPER-PLATES, engraved by the best Hands from Original Designs; which will be given gratis.

N. B. This Volume will render the Dictionary complete, and contain, among the other Branches of Learning, a complete System of Mechanics, Manual Arts and Manufactures; which, though so eminently useful to Society, and so long desired, has never before been attempted in the English Language.

Subscriptions are taken in by J. Hinton, at the King's Arms in Newgate Street, London; by the Booksellers of the two Universities of Oxford and Cambridge; and by the Printers and Booksellers of all the Cities and noted Towns of Great Britain and Ireland.

* * Those Persons who have not yet taken in the Dictionary, may begin with N^o I. and proceed gradually to the End.

DR. JAMES's Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY's ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure. *

It is likewise a most effectual Remedy for all internal Inflammation, Pleurifies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Esdall, Printer, on the Blind Quay, Dublin.

* See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned. Price 6 d.
