DR. JAMES'S Powder for FEVERS,
and other Inflammatory Distempers, published by Virtue
of His MAJESTY'S ROYAL LETTERS PATENT,
will remove (as has been experienced in many thousand Cases)
any continual acute Fever in a few Hours, though attended
with Convulsions, Light-headedness, and the worst Symptoms:
But if taken in the Beginning of a Fever, one Dose is generally
sufficient to perform a Cure. *

It is likewise a most effectual Remedy for all internal Inflam-
mation, Pleurisy, Quincies, acute Rheumatism, and the Low-
ness of Spirits, and Uneasinesses proceeding from slow and latent
Fever, which are generally mistaken for Vapours and Hysteria;
and a single Dose remarkably stops the Progress of a Cold, and
certainly prevents the ill Consequences arising from that very
common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to
take) is sold by J. Newbery at the Bible and Sun in St.
Paul's Church-yard, over-against the North Door of the Church,
at 2 s. 6 d. the two Doses, with good Allowance to those who
buy it for charitable Uses, or to sell again; and by James Esdall,
Printer, on the Blind Quay, Dublin.

* See a Dissertation on Fevers, and other Inflammatory Di-
stempers, sold at the Place above-mentioned. Price 6 d.

By the KING'S PATENT.

HIS MAJESTY having been graciously
pleased to grant his Royal Letters Patent, bearing Date
at Westminster the 17th Day of October 1751, in the 25th
Year of his Reign, unto Richard Rock, of the Parish of St.
Bridget, otherwise Bride's, London, Licentiate in Medicine, for
his New Compound Medicine, or Anti-Veneral Cathartick
Electuary, for the true Cure of fresh Venereal Injuries, and all
the lurking Relicks or Remains of old ones, which he has brought
to a surprizing Degree of Perfection in the Cure of the several
Stages of the Venereal Distemper, from the slightest Infection to
the most inveterate Degree thereof, without breaking or impair-
ing the Constitution, exerting the human System, or leaving
any Foulness or Weakness behind: This is therefore to acquaint
the Publick, for whose Use and Benefit the said Letters Patent
were principally obtained, that the said most admirable Electuary
is sold by him at the Golden Head and Key, Bell Savage Inn
Gateway, Ludgate-Hill, London, at only 6 s. the Pot: Where
Advice is to be had, and all Debilities, Obstructions of the urinary
Passages, and Gleet, are absolutely cured.

Sold at the Widow Adams's, Printer, at Westchester, and at
Mr. Abree's, Printer, at Canterbury.
