These are to give Notice, that the said Payment will begin to be made at the Treasurer of the Navy's Office in Broad Street, on Monday the 21st Instant, at Nine of the Clock in the Morning, and continued the two following Days, beginning at the same Hour; That all Persons may then and there attend to receive what may become payable unto them, and not only bring with them the Affidavit required touching their not having enjoyed the Benefit of any publick Employment, either at Sea or on Shore, during the Time they are to be paid the said Half Pay, but also produce Certificates that they have subscribed to the Test, and taken the Oaths required by Act of Parliament to his present Majesty. And in Case any of the said Sea Officers shall not be able to attend themselves to receive their Money, but employ Attorneys for that Purpose, that the said Attorneys may produce the like Certificates and Affidavits from the Persons they are employed by.

General Post Office, March 2, 1754.

Whereas the Post Boy, bringing the Kent Mail to this Office, upon Thursday the 28th of February last, was, between the Hours of Eight and Nine of the Clock in the Evening, attacked and robbed, at a Place called Snipps Hill, about a Mile beyond Sittingborn by three Footpads, one of whom fired a Pistol, seized the Horse which carried the Mail, beat the said Post Boy cruelly, and cut the Mail from the Horse and carried it away.

Two of the Persons who committed this Robbery are described as short Men, dressed like Sailors; and the other a tall Man in a red Coat.

This is therefore to give Notice, That whoever shall apprehend and convict, the Persons, or any of them who committed this Robbery, will be intitled to a Reward of Two Hundred Pounds, over and above the Reward given by Act of Parliament for apprehending of Highwaymen: Or if any Person or Persons, whether Accomplice in the said Robbery, or knowing thereof, do, or shall make Discovery, whereby any one, or more of the Persons, who committed the same, may be apprehended and brought to Justice, such Discoverer, or Discoverers will, upon Conviction of any one, or more, of the said Robbers, be intitled to the same Reward of Two Hundred Pounds, and also have his Majesty's most gracious Pardon.

By Command of the Post-Master-General,
Geo. Shelvocke, Secretary.

N. B. This Mail was afterwards found and brought safe to the Office.

Dr. ANDERSON'S, or, The Famous SCOTS PILLS;

ARE faithfully prepared only by JAMES ENGLISH, Son of DAVID ENGLISH, deceased, at the Unicorn, over-against the New Church in the Strand, London; and to prevent Counterfeits from Scotland, as well as in and about London, you are desired to take Notice, That the true Pills have their Boxes sealed on the Top (in black Wax) with a Lyon Rampant, and Three Mallets Argent, Dr. Anderson's Head betwixt I. I. with his Name round it, and Isabella English underneath the Shield in a Scroll. They are of excellent Use in all Cases where Purging is necessary, and may be taken with Epsom, Tunbridge, or other Medicinal Waters.

DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure. *

It is likewise a most effectual Remedy for all internal Inflammation, Pleurisies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Edsall, Printer, on the Blind Quay, Dublin.

* See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned. Price 6 d.

By the KING'S PATENT.

HIS MAJESTY having been graciously pleased to grant his Royal Letters Patent, bearing Date at Westminster the 17th Day of October 1751, in the 25th Year of his Reign, unto Richard Rock, of the Parish of St. Bridget, otherwise Bride's, London, Licentiate in Medicine, for his New Compound Medicine, or Anti-Venereal Cathartic Electuary, for the true Cure of fresh Venereal Injuries, and all the lurking Relicts or Remains of old ones, which he has brought to a surprizing Degree of Perfection in the Cure of the several Stages of the Venereal Distemper, from the slightest Infection to the most inveterate Degree thereof, without breaking or impairing the Constitution, enervating the human System, or leaving any Foulness or Weakness behind: This is therefore to acquaint the Publick, for whose Use and Benefit the said Letters Patent were principally obtained, that the said most admirable Electuary is sold by him at the Golden Head and Key, Bell Savage Inn Gateway, Ludgate-Hill, London, at only 6 s. and a Book of plain Instructions (by the Help of which every one may be his own Physician) given with each Pot: Where Advice is to be had, and all Debilities, Obstructions of the urinary Passages, and Gleets, are absolutely cured.

Sold at the Widow Adams's, Printer, at Westchester, and at Mr. Abree's, Printer, at Canterbury.
