N. B. S. Buckley and T. Longman having purchased of the Family of the Norton's, the old Patentees, the Royal Grant and Privilege of printing Camden's Greek Grammar, which, from the Time it was compiled, has been generally used in our English Schools, have thought it their Duty and Interest to get it revised, corrected, and improved, as much as the Nature of the Work would well admit, by the Author of Lily's New Grammar; and hope it will meet with the Approbation and Encouragement of those Gentlemen, who have the Care and Instruction of Youth.

Sold by T. and T. Longman, at the Ship in Pater-noster-Row.

DR. *JAMES's* Powder for **FEVERS,** and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure. *

It is likewise a most effectual Remedy for all internal Inflammation, Pleurishes, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Esdall, Printer, on the Blind-Quay, Dublin.

* See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned. Price 6d.
