DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms; But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure. *

It is likewise a most effectual Remedy for all internal Inflammation, Pleurisies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St Paul's Church-yard, over-against the North Door of the Church, at a s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Esdall, Printer, on the Blind Quay, Dublin.

* See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned, Price 6d.
