James Cunningham, the Commanding Officer of the said Press Gang, and broke the Windows, Window Shutters, and Iron Bars of that House, and were proceeding to commit further Outrages there, had they not been prevented by the Assistance of the Civil Magistrates: And my Lords Commissioners of the Admiralty, judging it highly necessary that the Persons guilty of the above-mentioned Offences should be immediately detected and brought to Justice: I do therefore, in Obedience to their Lordships Commands, hereby offer a Reward of Two Hundred Pounds for the discovering, apprehending and prosecuting of all, or any three or more of the Persons who were principally guilty of the several Offences aforesaid; which Reward shall, upon the Conviction of such Three, or more of the said principal Offenders, be paid and distributed by Samuel Saddon, Esq; Solicitor of the Admiralty, unto and amongst the several Persons who shall be concerned in discovering, apprehending and prosecuting the said Offenders, in such Proportions as he the said Solicitor shall judge to be reasonable.

To all Masters of Ships bound to Porto in the Kingdom of Portugal.

It is necessary in future, to remove all Doubts by the Guardemores, or Officers of the Health Visit here, that you have inserted in your Bills of Health, immediately following the Mention of the Number of Men your Ship is navigated with, the following Addition, viz. that the Master is included in that Number of Men; or for Want of such an Explanation, (however needless it may appear) they have stopp'd and detained many Ships for several Days, sometimes including, and others excluding the Master, and thereby making it appear, that the Ship has either more or less than the Complement, as they think fit to construe it.

DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleurishes, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Edall, Printer, on the Blind Quay, Dublin.
