P R E S E N T,

The King's most Excellent Majesty in Council.

Whereas His Majesty was graciously pleased, by His Royal Proclamation bearing Date the Eleventh Day of this Instant March, to promise and declare, (amongst other Things) that the Bounties of three Pounds for every Able Seaman, of Forty Shillings for every Ordinary Seaman, and of Twenty Shillings for every Able-bodied Landman, should be paid to every such Seaman and Landman respectively, who should, on or before the Thirty-first Day of this Instant, voluntarily Enter themselves to serve in His Majesty's Royal Navy; and that a Reward of Two Pounds should be also paid to any Person who should, on or before the said Thirty-first Day of this Instant, discover any Seaman, or Seamen, who should conceal themselves, so that such Seaman or Seamen should be taken for His Majesty's said Service—And whereas the Time thereby limited for paying the said Bounties and Rewards is now near expiring; and it being judged expedient for His Majesty's Service, that the same should be continued for some longer Time: His Majesty, with the Advice of His Privy Council, doth therefore Order, and it is hereby accordingly ordered, That the Time limited by the said Proclamation for Payment of the said Bounties and Rewards, be prolonged and extended from the said Thirty-first Day of this Instant March, to the Thirtieth Day of April next, inclusive—Whereof all Persons concerned are to take Notice and govern themselves accordingly.

Algier, Dec. 29. The Dey has confirmed and put his Seal to the Peace, and to the additional Article made by Commodore Keppel, concerning the English Packet Boats.

Constantinople, Feb. 15. The Grand Vizir is deposed, and the Janizar Aga is made Caimacan, until another Vizir is named, who, it is expected, will be Aly Pascha Echim Oglu, for the third Time.

Constantinople, March 1. Aly Pascha is coming hither from Trebizonde, but the Roads are so bad, that it is thought it will be 10 or 15 Days before he can arrive. The Dey of Algier has sent hither several Christian Slaves, Blacks, and Wild Beasts, as a Present to the Grand Signor, who in Return has given him some Cannon and Ammunition, and assured him of his Protection.
