Naples, April 29. Yesterday Commodore Martinez, who brought in here a Tripolitan Corfair which he took a few Days ago off the Island of St. Mary, put to Sea again in order to join the Chebecks under his Command, and to continue his Cruize against the Barbary Pyrates, who appear in great Numbers in the Sicilian and Calabrian Seas. For some Days past a kind of thick Smoke has issued from Mount Vesuvius, which makes us apprehensive of a new Eruption. It is confirmed by our last Letters from Sicily, that, on the 9th of last Month, Mount Etna, after smoking for some Time, threw out a prodigious Quantity of Stones, which were soon followed by a hot fluid Matter, that looked, when cold, like Sand calcined; after which a great Quantity of Sulphurous Matter ran flaming down the Mountain, and covered the Ground for a considerable Distance.

Warsaw, May 3. The Turkish Ambassador, who stopt for some Weeks at Count Braniccki's, Great General of the Crown Army, at Bialystock, arrived here Yesterday, escorted by a Detachment of Light Horse. His Excellency was saluted at his Entrance into this City by a triple Discharge of our Artillery. He purposes to stay here till Tuesday next, and then to con-

tinue his Route for *Fraustadt*, where he is to have his first Audience of the King. We hear that the Town of *Brzeck* in Lithuania, belonging to Count *Flemming*, Great Treasurer of that Province, is almost reduced to Ashes by a terrible Fire which broke out there a few Days ago.

Pofnania, May 7. The principal Nobility of this Palatinate are preparing to set out for *Fraustadt*, to wait the Arrival of the King, who, after he has given Audience to the Turkish Ambassador, intends to hold a *Senatus Confilium*.

Copenhagen, May 7. Last Week the Queen's Mother set out from hence with her Attendants for *Hirscholm*, where she intends to reside best Part of the Summer.

Stockholm, May 9. Their Majesties and the Royal Family are to set out the Beginning of next Week for *Ulrichsdahl*, where they propose to stay till August. The King has conferred the Order of the Sword on Baron *Poffe*, his Minister at the Court of *Russia*, as also on Major General *de Lieven*. Notwithstanding the Season is so far advanced, we had so great a Quantity of Snow fell here last Friday, that it lay in many Places two Feet deep.

Vienna, May 14. On Wednesday Morning last their Imperial Majesties, accompanied by the Archdukes *Joseph*, *Charles* and *Peter Leopold*, went to *Neustadt*, to review a Body of Cadets; and after having seen them go through their Exercise, their Imperial Majesties returned to *Laxembourg*. The new Envoy Extraordinary from the Grand Signior had his publick Audience of the Emperor last Monday, and this Morning he had also his publick Audience of her Imperial Majesty.

Hague, May 22. *M. Cornet*, who was lately appointed Resident from the Elector Palatin to this Republick, is also appointed Resident from the Elector of *Bavaria*, and has, in that Character, delivered his Credential Letters to the President of the Week. We have received an Account from *Ypres*, that *M. Kyserling*, Colonel Commandant of the Regiment of Foot of *Lindtmann*, died there a few Days ago.

But such Widows as live at too great a Distance from the Places above-mentioned, may apply by Letter to *Mr. Charles Fearne*, at the Admiralty Office, who will send them all necessary Information. And the Governors of the said Charity intending to distribute to the Widows of Sea Officers who died before the 30th of August 1732, as well as to the Widows of those who

Hicks's-Hall, Middlesex, May 23, 1755.

At a Meeting this Day of the Justices appointed by the Lords of His Majesty's Privy Council, by their Order of the 25th of November 1745, to put in Execution his Majesty's several Orders of Council within the County of Middlesex in relation to the infected Cattle.

Whereas the Time draws near for holding a Fair in this County called Welch Fair, for the selling of Horned Cattle, which said Fair used to be held at Islington but lately has been held at Barnett. And whereas we have Cause to believe the said Infection, which during the Summer Time in this County has greatly decreased, has for some Years, by Reason of this Fair, broke out again and raged very much during the Months of September, October, and November.—Therefore, in order to prevent such spreading of the said Distemper, and in pursuance of the Powers and Authorities given, as well by his Majesty's Orders in Council, as by the several Acts of Parliament in that Behalf made, we do Order and Direct, that no Fair or Market, or other publick Place of Sale, be held or kept within the said County for the Sale of Horned Cattle (except fat Cattle for immediate Slaughter) from the 15th Day of August next, to the 10th Day of October following; and that no Person or Persons shall or do presume to drive, send, or remove, or cause to be driven, sent, or removed, any Horned Cattle (except fat Cattle for immediate Slaughter) to any Fair, Market, or other publick Place of Sale in this County, within the Time before mentioned, under the Pains, Penalties and Forfeitures mentioned, set or imposed by his Majesty's said Orders in Council, or the said Acts of Parliament, or any of them in that Case made. And for the notifying this Order, it is further directed, that the same be forthwith inserted in the London Gazette, the Daily Advertiser, and London Evening Post. By Order of the Justices,
John Lane, Clerk.

Thomas Lane.

DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleurisy, Quincies, acute Rhenmatism, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over against the North Door of the Church, at a 6d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Esdall, Printer, on the Blind Quay, Dublin.

See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned, Price 6d.
