THE 3d of August 1754, it was notified to the Executors, by the Owners in the Ship Catharine Elizabeth, belonging to this Place, that Capt. Niles Bie, who commanded it, was deceased in Laurhullen, in the Southern Part of Norway, and in which Port the Ship lay, desiring that the Court might take the Effects he was possessed of in this Place in his surviving Widow's Habitation, under its Sale; which was done the same Day at her Lodging in the Suburb of the Bay, where the Papers were sealed up, and the Moveables that were found were written down and appraised, notwithstanding the Widow alleged that they were her Son Peter Holgerfon's Property, and borrowed of him for Use. The 12th of February 1755, one of the Owners of the aforesaid Ship Catherine Elizabeth, namely Mr. Jens Nicholai Rosholt, notified, that the late Niles Bies's Widow, Margretta Holm, was then deceased, wherefore, after her, likewise was sealed up, and the little wearing Apparel found after her, register'd and appraised, as well as the wearing Apparel and traveling Accoutrements come here with the Ship; which on Capt. Niles Bies's Demise were, by the Executor of the Place, Counsellor of Justice, and Sheriff Braunmann, written down, and sealed up, register'd and appraised: Now whereas all the Owners of the said Ship desire, that Capt. Niles Bie, and

his Wife Margretta Holm, deceased, may be published in the Gazettes and News Papers, to be made known both at Home and Abroad; and that Creditors and Debtors to their Affairs may be called in against a certain Day; They are accordingly warned by these Presents, to meet in the aforesaid Mr. Jens Nicholai Rosholt's Dwelling-house here in Dronthon, within a Year and six Weeks from the Date hereof, when the Vouchers of each, and their Allegations in their Turn as they come in, shall be register'd in the Executors Books, and every one fare as the Law and Right dictate.

Dronthon,

Dr. ANDERSON'S, or, The Famous SCOTS PILLS;

ARE faithfully prepared only by JAMES INGLISH, Son of DAVID INGLISH, deceased, at the Unicorn, over-against the New Church in the Strand, London; and to prevent Counterfeits from Scotland, as well as in and about London, you are desired to take Notice, That the true Pills have their Boxes sealed on the Top (in black Wax) with a Lyon Rampant, and Three Mullets Argent, Dr. Anderson's Head betwixt I. I. with his Name round it, and Isabella Inghish underneath the Shield in a Scroll. They are of excellent Use in all Cases where Purging is necessary, and may be taken with Epsom, Tunbridge, or other Medicinal Waters.

DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleuritis, Quincies, acute Rheumatism, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again; and by James Erdall, Printer, on the Blind Quay, Dublin.

* See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned. Price 6d.

By the KING'S PATENT.
