Extract of a Letter from Mr. John Potter to William Belchier, Esq; dated at Gombroom in Perfia, December 30, 1754.

" OUR Officers, as well as the Ship's Company, have had repeated Illness. Intermitting Fevers are very frequent here, and the Factory Gentlemen, as well as the Seamen, are liable to it. They are feldom two Months without taking the Bark, and very often take it one Month, and have a Return the next. It feizes us either at the Full er Change of the Moon. May and November are reckoned had as they are, are healthy in Comparison of this Place, the most unhealthy Months, though I cannot fay there are any healthy ones; for Guiney and Madagafcar, June, July, August, and September are called the Heats, and indeed they are intolerable ; we are galping for Breath in the Day Time, and at Night obliged to lie on the Terrais on the Top of the Factory. Were we to lie in our Apartments we should not be able to breathe. I was felged with a Fever the Beginning of February; in April, finding no Relief by any Thing that I took, and being reduced to a very weak States, I went for change of Air to Affice, a
