Extract of a Letter from Mr. Thomas Knight, in Jamaica, to his Father in Birchin Lane, London.

I Have had that Fever which the People are very subject to when they first come to this Place, but having great Faith in Dr. James's Powder, I was determined to take them, and it removed my Fever in less than 48 Hours, to the great Surprise of all those who were about me. I have persuaded many to try them in that Disorder since, and with great Success; for they have done most surprizing Cures, and raised People even after they have been given over by the Physicians.

DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms. But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleurifies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again.

See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Place above-mentioned, Price 6d.
