DR. JAMES'S Powder for FEVERS,

and other Inflammatory Disorders, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleurifies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasiness proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2s. 6d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again.

The Case of Mrs. Mary Cuppage, Midwife, in Bennet Street, Westminster.

I had long been troubled with such a Dizziness and Swimming in my Head, that I could not see as I went along the Streets, and in the latter End of June last was taken so ill that I was obliged to keep my Bed. The Disorder terminated in a violent Fever, which in eight Weeks Time so weakened me, that I was obliged to be laid on the Floor while my Bed was made, not being able to sit up in the Chair. I was blistered, and many Medicines were given me, but to no Purpose; for I grew quite insensible, and the People that were with me had no Hopes of my Recovery. At this Time a Gentleman of the Faculty ordered me Dr. James's Powder, which took off the Delirium and the Fever, and I very soon recovered. My Grand daughter, who was seized with a Fever at the same Time, which continued on her seven Weeks, was cured by the same Powder.

May 20, 1756.

Mary Cuppage.
