The Case of Daniel Taylor, Steward on Board the Ship Pelling, Richard Sowarfall, Commander.

**D**aniel Taylor was taken ill of a Fever about the 18th Day of September last at Plymouth, where the Captain put in to wait Convey for London; the Captain ordered Mr. Phillips, an eminent Apothecary there to attend him, who administered the usual Remedies in Fevers to the utmost of his Knowledge, but the Patient's Fever still grew worse, and in about two Weeks Time was quite Delirious, and continued so about a Week, till the Captain arrived at his Moorings off Iron Gate; two or three Days after this an Apothecary in East Smithfield went on Board to pay his Respects to the Captain, and on hearing a Man in the Cabin groan, and behave like a Lunatic, begg'd to see him, and accordingly found him almost expiring, with a Pulse extremely quick, low and fluttering, his Eyes almost fix'd in his Head, and in short had all the Symptoms of an approaching Death; the Captain desired his Friend to order him any Thing he thought might relieve him; accordingly he sent him a whole Paper of Dr. James's Fever Powder, made into a Bolus with Conserve of Hips, which in an Hour's Time gave him three or four gentle Pukes, and after that a Scool, and then threw him into a fine breathing Sweat, during which Operations the Patient was supported by warm Herb Tea, drank plentifully; in about six Hours his Senses perfectly return'd, so as to know the Ship's Crew distinctly, his Fever quite abated, his Pulse grew strong, and every Day after grew better and better, so that in a Week's Time he assisted at his Business, and is at present a Board the said Ship as Steward, being grown quite fat and healthy, to the great Surprise of the whole Ship's Company. Any Person may be satisfied of the Truth of this Case by applying to Captain S. Marshall, at the Jamaica Coffee House, or on Board the said Ship off Iron Gate.

**D**R. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of HIS MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleurisy, Quinics, acute Rheumatism, and the Lowness of Spirits, and Uneasiness proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-against the North Door of the Church, at 2s. 6d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again.
