Constantinople, June 3.

**T**HE Ramazan, which is drawing towards a Conclusion, has passed with great Quiet; and the Want of Corn, and other Provisions, has been less felt than for some Months past. The several repeated Prohibitions of the Sultan, concerning Dress, has not been observed by the People; who conjectured, that all such Orders were not fixed for a Law, but that they might transgress them, at Will, by Degrees; however, the Grand Seigneur, frequenting the Town incog. met with a Jew, whom he ordered to be seized, and cut off immediately by his own People; and the next Day sent an Armenian to the Porte, who has since shared the same Fate. These Examples have occasioned great Consternation among the People, who now seem strictly to conform to those Orders which timely Warning and Lenity could not accomplish. The Bairam begins on the 7th Instant, the Ministers will then be occupied with ceremonial Visits for some Days as usual.

Turin, June 21. This being the Anniversary of the Birth-day of his Royal Highness the Duke of Chablais, who enters into the eighteenth Year of his Age, it has been observed at Court in the accustomed Manner.

*Two Cafes communicated to Mr. John Newbery, at the Bible and Sun in St. Paul's Church Yard, by the Revd. Mr. Thomas Barton, of York in Pennsylvania.*

**I** Have administred Dr. James's Fever Powder, which I had of you, with great Success; and was I not well assured that the Character of it is sufficiently established in England, I should send you above 50 Certificates, or even Depositions, from Persons who received the utmost Benefit by it. Two Cafes are so particular, that I cannot omit giving you some Account of them. Henry Giles, a Man about 60 Years of Age, was troubled for a considerable Time with a violent Palpitation of the Heart, which was to be heard, and even seen, by any Person in Company with him: It was attended with Faintness, convulsive Symptoms, loss of Appetite, &c. and after he had tried many Medicines without Effect, he applied to me for some of the Powder: I desired him to lose about 16 Ounces of Blood, at two different Times, and then to take a whole Paper at once. He observed my Directions, and is quite well. The other was that of a Dutch Woman, who laboured under what we call a Dumb Ague for above two Years. She put herself under the Care of a German Physician, who gave her many good Medicines, without any Success: I advised him to try a Dose of Dr. James's Powder, which removed her Disorder in a few Days.
