Dr. ANDERSON'S, or The Famous SCOTS PILLS;

ARE faithfully prepared only by JAMES INGLISH, Son of DAVID INGLISH, deceased, at the Unicorn, over-against the New Church in the Strand, London; and to prevent Counterfeits from Scotland, as well as in and about London, you are desired to take Notice, That the true Pills have their Boxes sealed on the Top (in black Wax) with a Lyon Rampant, and Three Mulletts Argent, Dr. Anderson's Head betwixt I. I. with his Name round it, and Isabella Inghish underneath the Shield in a Scroll. They are of excellent Use in all Cases where Purging is necessary, and may be taken with Epsom, Tunbridge, or other Medicinal Waters.

Two Cases communicated to Mr. John Newbery, at the Bible and Sun in St. Paul's Church Yard, by the Revd. Mr. Thomas Barton, of York in Pennsylvania.

I Have administered Dr. James's Fever Powder, which I had of you, with great Success; and was I not well assured that the Character of it is sufficiently established in England, I should send you above 50 Certificates, or even Depositions, from Persons who received the utmost Benefit by it. Two Cases are so particular, that I cannot omit giving you some Account of them. Henry Giles, a Man about 60 Years of Age, was troubled for a considerable Time with a violent Palpitation of the Heart, which was to be heard, and even seen, by any Person in Company with him: It was attended with Faintness, convulsive Symptoms, loss of Appetite, &c. and after he had tried many Medicines without Effect, he applied to me for some of the Powder: I desired him to lose about 16 Ounces of Blood, at two different Times, and then to take a whole Paper at once. He observed my Directions, and is quite well. The other was that of a Dutch Woman, who laboured under what we call a Dumb Ague for above two Years. She put herself under the Care of a German Physician, who gave her many good Medicines, without any Success: I advised him to try a Dose of Dr. James's Powder, which removed her Disorder in a few Days.

THE unsatisfied Creditors (if any there are) of Charles Mason, late of the Victualling Office, London, Gentleman, who died in 1736, are peremptorily to apply to Mr. John Crouch, in the Borough of Southwark, Grocer, the surviving Executor, for Satisfaction, on or before the 29th Day of September next.
