

The following Address of the Mayor, Corporation, and Town of Taunton, has been presented to His Majesty by the Right Hon. the Earl of Egremont: Which Address His Majesty was pleased to receive very graciously.

To the King's most Excellent Majesty,

The humble Address of the Mayor, Corporation, and Town of Taunton.

Most Gracious Sovereign,

WE your Majesty's most dutiful and loyal Subjects, the Mayor, Corporation, and Town of Taunton, beg Leave to join with our Fellow Subjects, in presenting to your Majesty our joyful Congratulations on the Success with which it has pleased Almighty God to bless your Majesty's Arms, for vindicating the Rights of your Kingdoms, and reducing to Reason the Disturbers of Europe.

The Pleasure we receive from the Reduction of Cape Breton, and the important Fortres of Louisbourg, and from the taking and destroying so many of the Enemies Ships of War, is heightened by their being effected with so small a Loss, and in a Manner which does Honour to the Conduct and Bravery of your Majesty's Forces, and by our Hopes that they will open the Way to such further Conquests, as may soon produce a Peace, honourable to your Majesty, and by which the Rights of your Kingdoms, the Protestant Interest, and the Liberties of Europe, will be effectually secured.

May the Divine Providence add this to the Glories and Blessings of your Majesty's Reign, and may you long rule over a loyal, united and happy People.

Given under our Common Seal this 14th Day of October, 1758.

The following Address of the Mayor, Aldermen, and Common Council, of the Corporation of Totnes, having been transmitted by B. Trist, Esq; their Recorder, to the Right Honourable Mr. Secretary Pitt, has by him been presented to His Majesty: Which Address His Majesty was pleased to receive very graciously.

To the King's most Excellent Majesty.

Most Gracious Sovereign,

YOUR Majesty's most dutiful and faithful Subjects, the Mayor, Aldermen and Common Council of the Corporation of Totnes, in Chamber assembled, humbly beg Leave, with Hearts full of Joy and Gratitude for your paternal Care of all your Subjects, to congratulate your Majesty on the repeated Victories, obtained by your Majesty's Arms.

If Success is the Proof of the Favour of Providence, how happy is this Nation, in being so clearly convinced, that your Majesty's Wisdom and Councils are blessed by the great Disposer of War and Peace.

The antient Enemies of the British Name, have seen, in the Compass of one Year, their

darling Schemes of Universal Monarchy disappointed, their boasted Forces dispirited, and defeated, in every Quarter of the World, and themselves, who arrogated to be the Arbiters of Europe, terrified even on their own Coasts; and from hence we hope will have cause to learn, that this Free People, guided and governed by a King, whom they Love and Honour, will never suffer their Rights to be invaded, either by Force or Treachery, without exerting their whole Power in their Defence or Recovery.

America will be a lasting Witness of this Truth; and we, your Majesty's happy People, depend upon your Royal Wisdom, to guide the Success of War to it's proper End,—an honourable and lasting Peace.

That Heaven may still grant it's Protection to your Majesty, and bless us with a long Continuance of your Reign over us, and that your Royal Descendants may, following the great Example set by your Majesty, to the latest Ages, reign glorious Princes in the Hearts of a Free and Faithful People, is our ardent Prayer.

Given under the Seal of the Corporation, the Twentieth Day of October, 1758.
