The EIGHTH EDITION,

Revised, Corrected, and altered to the present Practice of the Army,

A TREATISE of MILITARY DISCIPLINE. In which is laid down and explained the Duty of the Officer and Soldier, through the several Branches of the Service.

By HUMPHRY BLAND, Esq;

Lieutenant General of His Majesty's Forces.

Printed for R. Baldwin, W. Johnston, J. Richardson, T. Longman, G. Keith, S. Crowder, P. Davey and B. Law, T. Caillon, and H. Woodgate and Bookers.

The EDITOR'S Preface to this New Edition.

General BLAND'S Treatise of Military Discipline, originally published in the Year 1727, is a Work to universally known and esteemed, as to stand in need of no Encomiums here: But as the Discipline of the English Troops has undergone great Changes since that Time, it was thought, that a Revision of it, in order to expunge such Parts as were become obsolete, and, by substituting the new, to adapt it to the present Practice of the Army, would be an Undertaking both acceptable and useful to the Public. This Consideration induced the Editor to assume the Task; and, as his principal Motive was to serve the Officers in general, but especially such as have not been long in the Service, he flatters himself, they will indulge him with their Approbation.
