The two following Cases were received Feb. 9, 1759, from Mr. John Brierly, at Hollingwood, near Manchester.

SOME Time since my Daughter was seized with a violent Fever, so that she lost the Use of her Limbs, Speech and Senses, and continued so for seven Days. All the Medicines she took were of no Service to her, and nothing but Death was expected. I happened to see in Harrop's News Papers, a Cure performed by Dr. James's Powder, upon which I immediately sent to Mr. Berry's, Grocer in Manchester, (who is supplied by Mr. Newbery, in St. Paul's Church Yard, London,) for one Paper, one Dose of which was given her, and repeated according to the Directions; soon after she recovered her Senses, Use of Speech and Limbs in a surprizing Manner, and is now well. In a short Time after a Son of mine was taken with an Ague Fit, and had one every Day, or every other Day, for a Month, and was then seized with a very bad Fever. I immediately gave him a Dose of Dr. James's Powder, which threw him into a Sleep for three Hours; another Dose was then repeated, when he slept till Morning, and on awaking said he ail'd nothing; however, a third Dose was given him, which brought on an Ague Fit which continued for Twenty-four Hours, after which he was well, and hath had no Returns of his Ague or Fever since.
