DR. JAMES'S Powder for FEVERS, and other Inflammatory Disorders, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms. But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleuritis, Quinsies, acute Rheumatism, and the Lowness of Spirits, and Unpleasantness proceeding from slow and latent Fevers, which are generally mistaken for Yagous and Hystric: It is extremely effectual in the Small Pox, Measles, and St. Anthony's Fire; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the Inconsequences arising from that very common Disorder, the Source of almost all Epidemics.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, London; and by Mrs. Smart, at Mrs. M'Almon's, in Grafton Street, Dublin; at 6 s. the two Doses, with good Allowance to those who buy it for considerable Uses, or on Retail again.

* See a Dissertation on Fevers, and other Inflammatory Disorders, sold at the Place above-mentioned. Price 6 s.
