NUMBER XIV.
Which finishes the Work, of

The Pilgrim's Progress,

From this World to that which is to come:

Delivered under the Similitude of a DREAM.

By the Celebrated JOHN BUNIAN.

Of the Book which is upon the foregoing easy Terms offered to the Public, the Value is sufficiently shewn by the Multitude of its Editions. It is too late now to tell the Excellence of a Work which has been almost universally read for more than seventy Years, and of which it may perhaps be said with Truth, that no well-disposed Mind ever departed from its Perusal without general Resolutions of a good Life, however some particular Opinions of the Author might be doubted or censured. The Allegory is so happily pursued, and Doctrine so well interwoven with Narrative, that the Book is read with Pleasure even by those to whom Pleasure is the End of Reading; and the Sentiments are so striking, and the Description so just, that the Doctrine is not weakened by the Fiction.

N. B. Those who have not completed their Books, are desired to do it before the First of June, after which Time no odd Numbers will be sold: And any Person may have Books in Numbers to that Time, when the Price will be raised.

Printed for W. Johnston, in Ludgate-street.

DR. JAMES'S Powder for FEVERS, and other Inflammatory Distempers, published by Virtue of His MAJESTY'S ROYAL LETTERS PATENT, will remove (as has been experienced in many thousand Cases) any continual acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms: But if taken in the Beginning of a Fever, one Dose is generally sufficient to perform a Cure.

It is likewise a most effectual Remedy for all internal Inflammation, Pleurifies, Quincies, acute Rheumatisms, and the Lowness of Spirits, and Uneasinesses proceeding from slow and latent Fevers, which are generally mistaken for Vapours and Hysterics; it is extremely effectual in the Small Pox, Measles, and St. Anthony's Fire; and a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers.

This Powder (which is a very safe and pleasant Medicine to take) is sold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, London; and by Mrs. Smart, at Mr. M'Mahon's, in Caple-street, Dublin; at 2 s. 6 d. the two Doses, with good Allowance to those who buy it for charitable Uses, or to sell again.

See a Dissertation on Fevers, and other Inflammatory Distempers, sold at the Places above-mentioned. Price 6 d.
